July 4 Just Another Holiday in Antioch; No Fireworks-Nothin'

Fair Weather Expected to Bring Large Crowds to Local Resorts

July 4 is just another day of leisure in Antioch this year.

Falling on Friday, it will provide a three-day holiday during which resort owners, if the weather is favorable, will cash in heavily on the vacationers from the city.

The natives, if they aren't working, will shun the highways for the most part.

A few flags may remind the coming generation that it is a day set apart for the celebration of the prize of liberty for which their forefathers fought and for which citizens should be thankful.

After taking away fireworks from the new generation by law, promising that professionally shot fireworks would be substituted throughout the state, the older generation has forgotten its promise and consequently there will be no reminder of Independence Day of any sort in Antioch or any of the other surrounding villages for that matter.

"Snakes," a mild type of fireworks was the only kind sold in Antioch. Two Chicago men sold some real fireworks on Rte. 45 and Rte. 41 near the Wisconsin-Illinois state line, but were quickly closed by county police.

Postmaster Roy Kufalk said that two mailboxes near Antioch were destroyed by firecrackers and warned that this is a federal offense.

The children are permitted to have cap pistols and caps, but they long ago found this boring, and sales are but normal.

Otherwise the town is quiet and probably will remain so. Only the swish of cars to and from the lake region will be heard and Police Chief Walter Scott will have extra police on a 24-hour shift this weekend to handle traffic.

The Rescue Squad will be on a standby readiness throughout the three days to give first aid in accidents, and the Chain of Lakes Water Patrol will patrol the Chain of Lakes region to regulate the operating of boats.

According to the trend, children of the next generation may be expected to ask, "What was July 4th, Daddy?"

Carbide Saw and Tool To Start New Building

First steps in the moving of the Victory Carbide Saw and Tool Co. from Chicago to Antioch took place yesterday when stakes were set for the construction of the new factory building in Sequoit Acres.

Homer LaPlant has the general contract for the building which will be erected on Lot 2.

The Chicago firm with rural Antioch owners, was provided the land as an inducement to come here.

The factory is not a large one but will have room to grow.

Candidates Sought For Co. Fair Queen

Do you know a girl who can cook and sew and look pretty at the same time?

Then some young woman from the Antioch area has an opportunity to become Miss Lake County and reign over the annual Lake County Fair at Grayslake July 24-27.

Parents, relatives or friends—or the girls themselves—are invited to submit nominations in the contest in which a week's paid vacation is being offered as grand prize.

Among local girls who entered last year, Ora Lee was selected for the queen's court.

Entrance requirements are simple. Contestants must be single and residents of Lake County. Minimum age is 16 before Dec. 31. A girl need not be sponsored.

Judging will be on such qualities as homemaking ability, personality, poise, community and school activities, and beauty.

Equal emphasis will be placed on all qualities, the chairman pointed out.

Entries should be mailed with a picture to Queen Contest Committee, Box 268, Grayslake. Deadline is midnight, July 15.

ANNUAL FIREMEN'S DANCE HAS LARGE ATTENDANCE

The Antioch Firemen's annual dance held Saturday evening was a big success. Over 2000 persons attended. King Jaros and his orchestra of Norshore Resort donated their services playing for dancing, which was appreciated by everyone.

Rain, Cold in June Good for Oats and Wheat, Corn Bad

Colder than normal weather during June with an abundance of rain produced good oats, wheat and hay crops, but retarded corn and soybeans in the Antioch area.

Cooperative weather observer Roy Kufalk recorded 4.25 inches of rainfall for June which was more than two-thirds as much as the total 5.94 inches for the previous five months of the year. The total for the year so far is 10.19 inches, which is well under the 18.66 inches for the first half of 1957, 12.29 for 1956, and 15.37 inches for 1955.

The greatest single rainfall for the month was 1.06 inch on June 1. The mean temperature for the month ran several degrees colder. The cold was 41 degrees on the 6th and the warmest was 88 degrees on Monday, the last day.

While the rain was good for lawns and pastures, it prevented the cultivation of corn and soybeans and the result is that these fields are weedy. Corn will not reach the usual "knee-high by the Fourth of July."

On the other hand the weather was ideal for oats and wheat and now that warm weather is coming, these should soon ripen.

Hay making has been difficult, first because of dry weather, then because of rain, but the last few days of warm weather started the hay-making.

Mayor Asks Citizens To Help Protest End Of Soo Line Service

Mayor Murrill Cunningham appealed to Antioch citizens to attend the hearing of the Illinois Commerce Commission in Chicago at 10 a. m. next Thursday to aid in protesting the removal of passenger service for this village by the Soo Line.

He and Village Atty. E. C. Jacobs, and some members of the board of trustees, and representatives of the Antioch Chamber of Commerce headed by President Bernard Osmond and Howard Gaston will enter this community's protest against the removal of service.

They will attempt to show that the Soo Line is the only means of transportation in and out of Antioch except for two months of bus service from Chicago.

Trevor, Wis., residents are expected to enter a protest along with Antioch.

"Each citizen must take it upon himself to try to attend," said Mayor Cunningham. "We must at the very least get one train to stop here each way daily."

Atty. Jacobs will return to Chicago July 15 to attend as an interested spectator, taking no sides, in the appeal of the Bluebird Coach Lines to take away a franchise now held by the American Coach Co.

The Board awarded a contract for the purchase of a new squad car to Lyons-Ryan of Antioch at a bid of \$2,147.00.

High School Employs Five New Teachers

The Antioch High School Board of Education has announced the employment of five teachers for the 1958-59 school term.

Miss Margaret Smiley will teach Homemaking classes. She is a recent graduate of Wheaton College with a B. S. degree.

A new teacher in the Business Education department will be Miss Hueber. She graduated this past June from Northern Illinois University with a B.S. degree. Miss Hueber will teach typing and bookkeeping and sponsor the school newspaper.

Roy Nelson has been employed as instructor of Driver Education and freshman football coach. He has eleven years teaching experience. His most recent teaching was in the Paxton High School, Paxton, Illinois. Mr. Nelson has a Master's degree from Bradley University.

Latin will be taught by Miss Wanda Gorczynski of Milwaukee, Wisconsin. She taught at West Allis, Wisconsin for the past three years. Miss Gorczynski will complete the Master's degree next summer.

Harrison Brown, who has taught in the Antioch Grade School, has been employed to teach Biology and sponsor the Student Council. Mr. Brown has a major degree in biological science. His Master's degree was granted by Eastern Illinois University.

Lake Villa Teen Club No. 157 will hold a dance July 6, from 2 p.m. till 6 p.m. at the Lake Villa V.F.W. Hall. Donations 20c.

Abbott Laboratories To Erect Eight-Story Research Building

\$20 Million Expansion Is Planned for Next 5 Years in North Chicago

Abbott Laboratories will break ground tomorrow (Thursday) at North Chicago for a major Research Center addition, the largest single construction project in its 70-year history. An eight-story structure of glass and steel "curtain-wall" exterior, it will more than double the space available for all phases of pharmaceutical research, development, and control.

"This is a major step in a projected five-year \$20,000,000 capital expansion program," George R. Cain, President and General Manager, announced. "The building will be at the same time a legacy from those Abbott people who have made such progress possible and a workshop for the Abbott scientists today and tomorrow who will carry on the quest for new weapons against suffering and disease. We look upon it as a symbol of our faith in the future."

President Cain reported the new building will enable Abbott to build the staffs of its scientific divisions from about 600 to more than 1,000 scientists and technicians. He said that the new facilities, added to those now operating, will give Abbott one of the finest research centers of its kind.

Construction is expected to take from 18 to 20 months. Plans were drawn by the Chicago architectural firm of Naess and Murphy. Bids were opened last Wednesday, and the general contract has been awarded to the Turner Construction Company.

Dr. Ernest H. Volwiler, chairman of the board of directors, will officially break ground with the same pick used to break ground for the first section of the present Research Building in 1936. Another section was added in 1947, but the pace of medicinal research soon made more facilities desirable. Plans for the new structure have been under way for more than two years.

The long part of the L-shaped building will have a basement and a penthouse for equipment in addition to eight full stories. The short part of the "L" will be two stories high. The basements of the new and old research buildings will be joined. There will also be passageways connecting the first two floors.

One of the unusual architectural features will be "outside" corridors next to the windows all around the building, which will be completely functional. Additions can be made in units up to eight stories with a minimum of construction problems. Also, most interior walls will be removable so that laboratories can easily be reduced or increased in size.

Antioch Cheerleaders Win Over 40 Schools

The top ranking cheerleading team at the Illinois State Normal University Cheerleading School last week was that of Antioch Township High School. A contest was held each day and Antioch was the only high school to win a first rank each day and was declared the winner at the final contest. More than 40 schools were competing.

Members of the team are Jill Gaston, Judy Maleck, Lynn Veenenmeyer, Charlene Keulman, Sharon Dittman and Elaine Christensen. Elaine joined the group as she returned from Jacksonville where she had attended Girls State the previous week.

Sue Wolfenbarger of Antioch was one of the staff members in the cheerleading school and is one of Normal's cheerleaders.

Salem Residents Fined
Two Salem residents were fined \$25 and costs in Municipal Court at Kenosha Monday on charges of petty larceny.

They were Wallace G. Stiles, 34, Rte. 1, Box 484 Salem, and David E. Meredith, 27, Rte. 1, Box 484D, Salem. The two were arrested June 21 for taking two trees valued at \$10 from property owned by Robert N. McCarty in Salem Township.

Stiles was also fined \$15 and costs, for driving without a Wisconsin driver's license.

Lake Villa Methodists Plan Garden Party

A garden party will be given by the Martha Circle of the Lake Villa Community Methodist church at the home of Mrs. Fred Troesch, Rte. 59, 1½ miles north of Grand ave., Monday, July 9. A dessert luncheon will be served at 12:30 p. m. Proceeds will be used for the new kitchen of the new church. Two flags will mark the entrance to the home.

Let's See Them Beat This Launching

Lake County Portion of Tri-State Tollway To Open Aug. 27; Northwest Link on Aug. 20

Dr. E. P. Abderholden To Practice in Antioch

Dr. Edward P. Abderholden, physician-surgeon, has opened an office as general practitioner at 986 Main st.

Married, with three children, two boys and a girl and a fourth child expected in August, Dr. Abderholden and his family will reside in the Miller residence on Tiffany road.

Dr. Abderholden was graduated from the Stritch School of Medicine of Loyola University, and completed extra studies in surgery as a one-year surgical residency at St. Joseph's Hospital, Chicago. Chicago is his home city.

Dr. E. P. Abderholden

Recently Dr. Abderholden has had part time affiliation with the Field Clinic in Chicago. He served three years in the Army as an infantry officer in World War II and served a short time in Japan. He has been accepted on the staff at St. Therese's Hospital, Waukegan.

With a shortage of physicians in the fast growing Antioch area, the decision of Dr. Abderholden to locate here is appreciated by many. His telephone number at present is Antioch 20.

His wife, Dolores, a registered nurse, taught clinical obstetrics at St. Francis Hospital, Evanston.

Building Permits Call For Warehouse and a Car Wash Building

The village board approved two building permits last night.

Permits were given to H. J. Curran to erect a steel warehouse building south of Depot street east of the Soo Line tracks for boat storage and other storage. The building 100 by 200 feet is one formerly owned by the North Western railroad. The sides will be aluminum or transite.

The second permit was issued to the Drije Chevrolet Co. for a 20 x 34 foot building at the intersection of Rtes 173 and 59 where the company now has its used car sales. The building would be used for car washing.

Telephone Office Moved
The office of the Illinois Bell Telephone Co. was moved last weekend to the room adjoining the Antioch News on the south. The room was formerly occupied by Barnstable and Brogan's store.

Mayor Breaks Tie on School and Tag Day And Peddler Ordin'ce

Votes "Yes" on Both Dead- locks, Lakes Theatre Gets Ten-day Permit

Mayor Murrill Cunningham was called on twice last evening to break a tie in the voting of the village board of trustees.

The first time came when the request of the Grade School Band Parents for a permit to conduct a tag day was re-submitted for the second time after having been turned down twice.

Trustees Herman Holbek and John Blackman approved the request and Trustees Ernest H. Glenn and Bernard Osmond opposed it.

Changing his previous stand on the matter which he himself established at the outset, Mayor Cunningham finally cast a "yes" vote.

The date for the Tag Day was set for July 5.

The second time the mayor was called upon to break a tie vote was when under the same voting he approved passage of an ordinance licensing peddlers and requiring registration for solicitors and salesmen.

The ordinance drawn up by Atty. Jacobs was termed by Jacobs a nuisance ordinance, which would not keep legitimate salesmen out, but would discourage the illegitimate ones, especially the itinerant magazine salesmen.

Under the new ordinance, peddlers would be licensed at \$2 a day, \$10 a month, and \$50 a year.

For salesmen and solicitors the registration fee would be \$5 (not a license) to cover cost of investigation and three days would be allowed for the investigation.

Trustee Glenn said that the village couldn't make the law stick, but Mayor Cunningham agreed with Police Chief Walter I. Scott that it (continued on page 5)

State Referendum on Nov. 4 Seeks Money To Aid Mentally Ill

The Civic Committee for Mentally Ill and Retarded in State Hospitals and Schools, recently formed on a statewide basis in Illinois, is calling for grass-roots support of the referendum to be voted on November 4 which will provide a bond issue of \$248,000,000 for Education and Public Welfare.

Of that bond issue, \$81,000,000 will be made available to rehabilitate existing mental hospitals and schools and to begin construction on additional needed buildings.

The Civic Committee, headed by Budd Gore, President of the Illinois Children's Home and Aid Society, has set forth a plan of community organization to back the bond issue.

The plan calls for citizens throughout the State to give one "eight-hour day" toward the improvement in the care and treatment of Illinois mentally ill and retarded. Steps in the "8-hour day" plans are:

First two hours: Read all available material obtained from Civic Committee, Room 1812, 100 W. Monroe at Chicago 3; enlist 9 other citizens to work for one 8-hour day.

Second two hours: (Between now and Oct. 27): Stimulate discussion in organizations in the community; cooperate in plans for community meetings; obtain the film, "As Ye Sow," (filmed in Illinois State Hospitals) and show it at meetings; distribute sample ballots; obtain a speaker for meetings.

The time has come when each and every citizen in Illinois must take a good hard look at a problem vital to our state's growth and development.

That problem is the care and treatment of Illinois' 50,000 mentally ill and retarded patients. . . for, although Illinois is third in the nation (continued on page 5)

Ex-Street Superintendent Changes to Police Dept.

Emil R. Ehnert yesterday was transferred at his own request from the street department to the police department. He takes the place of Cecil Smith, who resigned two months ago and ended his duties Monday.

Ehnert will alternate with Stephen Ryzsko, Jr., on a two-week shift from night to day work.

The street department is now under the superintendency of Edgar Simonsen, former village trustee and currently the fire chief. Marvin Toepper is a new employee in the department.

THURSDAY, JULY 3, 1958

CONDITION RED

Emergency Holiday Traffic Warning

"TRAFFIC CONDITION RED" is again posted for the 78-hour July 4th Holiday. This is an emergency traffic alert for all motorists calling for maximum caution and courtesy by all drivers during this hazardous period which extends from 6 p. m. July 3 through midnight July 6.

This is an effort of local and state officials to hold traffic accidents at the minimum during this period. Enforcement and Safety Officials will give complete coverage during the July 4th Holiday to obtain the cooperation of all drivers.

At the state level, Governor Stratton has called for all State Troopers to patrol the state highways in a concentrated enforcement campaign to prevent accidents. All leaves are to be cancelled. Radar and air patrol will be used extensively.

Over the 78-hour Memorial Holiday, a record-breaking number of traffic fatalities occurred throughout the nation with 22 dead in Illinois. Forty million drivers were estimated to have driven ten billion miles.

Causes of traffic accidents during the Memorial Holiday were: Speed, drinking, fatigue, recklessness, violations of stop signs, improper left turns and passing, disregard for approaching trains, and unsafe maneuvers. It is expected these same causes will prevail during the 78 hours of the July 4th Holiday.

Through the "TRAFFIC CONDITION RED" alert, it is hoped that drivers will be especially watchful for potential accidents, to obey all traffic laws and to make driving a full time job. Police will be on patrol for all violators. Peak traffic loads will hit our highways early in the period and all day Sunday.

Local and state efforts by enforcement and safety officials supported by an interested and dedicated press, radio and TV media have enabled Illinois to save over 2000 lives from traffic accidents during the first six months of 1958 and 140 lives during the last six months of 1957. The new state speed law and additional state police together with an increased enforcement and safety education program at local levels are credited with this record.

Prices and Human Effort

As everyone knows, prices have risen substantially in late years and, on the basis of the most recent reports, the trend is still upward.

In spite of that, the average factory worker has gained almost an hour of food purchasing power since 1952.

A food chain association tells the story. It took a typical bag of food, consisting of dairy products, smoked and fresh meats, canned and fresh vegetables, and other products in universal use. In 1952, that bag cost \$9.17, and a typical worker could earn the money in five hours and 41 minutes. In April of this year, the bag cost \$9.24. But the worker could earn it in four hours and 44 minutes—a gain of nearly an hour.

It is certainly true, as an association officer has said, that "the best way of measuring prices is against the amount of effort required to earn the product." In the case of food, increases in pay have outrun increases in price. Various factors have contributed to

that situation—and one of them is intense competition in retailing. Every retailer has been forced to do everything possible to hold the price line.

What is true of foods is true of other retail business. Human nature being what it is, we naturally complain about price increases. But mass distribution is doing a first class job of giving us top value for our money.

Proper Role of Government

Some months ago, official forecasts held that government revenues during the fiscal year ending in June, 1959, would exceed expenditures by several hundred million dollars.

Now all hope of a budget surplus is dead as the Pharaohs. Government spending for military and other purposes increases. Government revenue, because of the business recession, has declined. The next fiscal year is now expected to produce a deficit of at least \$8 billion, and perhaps much more.

If there ever was a time when avoidable government spending should be eliminated, that time is now. The only alternatives are still higher taxes, a new major wave of inflation, or both.

To begin with, government should conduct no activity which can be conducted by private enterprise. The outstanding example here is electric power. The government's investment in socialized power plants runs far into the billions. These plants are wholly or largely tax-free—which means a loss of more billions. And, for the most part, they are tax-subsidized—and there go more billions still.

Power, of course, is but one example. Government is a huge lender, a huge banker, a huge insurer. The list of business-type enterprises run and supported by government is almost endless. The cost to the taxpayers is enormous.

The goal can be simply described. Confine government to what only government must do. Let private enterprise do everything else—while paying taxes for the privilege.

"Grass Roots Opinion"

SYLACAUGA, ALA., NEWS: "Every so often some self appointed censor conceives the idea of cleaning up the newsstands. . . . Invariably our reply is a stock one. The reading matter to which they take exception is legally published, legally distributed and legally licensed for resale, and under these conditions any adverse action on our part would be interference with free enterprise. Our suggestion would be that the censors inaugurate an educational campaign toward the reading of good literature rather than a clean-up campaign directed at resale."

REEDLY, CALIF. EXPONENT: "The American people, and especially the rank-and-file of labor unions will hardly be satisfied with anything less than a labor control law that will really control, and perhaps eliminate, the professional hoodlums and racketeers which have infiltrated the labor movement. However sincere the AFL-CIO leaders are in their efforts to provide controls of their own, the most they can do is to expel a union led by crooks from the federation. But that doesn't help the members of that union. No, nothing short of a tight labor control measure will do it. And now is the time to do it."

EL DORADO, KANS. TIMES: "... There is no clear-cut sentiment around the country for a tax reduction at this time, as congressmen discovered during their Easter holiday. The worker out of a job is not in the least bothered by taxes and those with incomes seem to be more concerned about the threat of inflation. What the latter group wants much more than a tax cut now is economic stability and a halt to rising prices."

LAMBERTVILLE, N. J., BEACON: "Which way will our nation go in the next few years? Will we salvage our system of free enterprise, of freedom of action, or will we drift more swiftly toward the central state than in the recent past?"

holiday. list. Of possible significance is the report that where some meat prices might have dropped, they didn't. Other departments, fresh produce, dairy and processed lines, offer more consumer value opportunities for the week ending July 5.

Wholesale markets last Friday (June 27) anticipated strong early this-week buying as retail outlets stocked for the July 4th weekend. This is an automatic pressure building price factor. Farmers, who could on improved weather, grasped the chance to work in fields. Fewer than expected came to market with livestock, another price-pressure builder. Shorter cattle runs delayed some expected beef price declines; hog runs, heavily anticipated, that should spell some lower pork prices, were held off a little longer; lamb prices climbed to a new two-year peak. (Lambs reached \$27.50, hogs that hit a four-year top of \$25, slipped to \$24.75 late week with the market expecting the real seasonal run to market to start in July, and cattle firmed early in the week to \$32, but tapered to a steady \$31.50.)

In produce, peaches are reported in abundance from current shipping quarters, to a degree that possible marketing distress signals are seen for the total crop picture. But in Chicago, peaches quoted slightly stronger at wholesale. This is considered a real short-term proposition—due to excessive moisture in some growing areas, and a gap in market acceptance of less desirable varieties in anticipation of more popular, better quality kinds. Watermelons also show signs of crop abundance and dull market acceptance, in this case the dullness attributed mainly to prolonged cool weather. Also reported trending higher for about the same reasons are cantaloupes, lettuce, peas and sweetcorn. At the retail level, the foregoing knocks out all but beef roasts, fry-

ers and small turkeys as consensus meat values. Other meats quote steady to higher, with some sources frankly ruling out most steaks, and virtually all pork and lamb items as consumer values. Plenty of these items will be featured for the holiday, however, prices largely reflecting cook-out opportunities and demand.

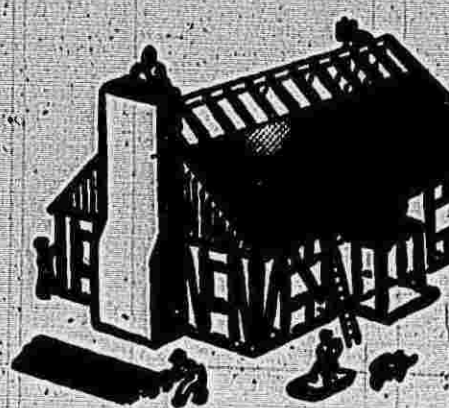

Kane County Fair July 30-Aug. 3
The Kane County Fair will be

held June 30, through Aug. 3 west of Geneva on Randall road, the cut-off between Roosevelt road and North avenue. The association is publicizing the fact that the county's biggest and exclusive horse show with 600 entries is scheduled, and the Midwest Quarter Horse Assn. will hold its annual show with more than 100 entries. The Midwest Pony Assn. will have 300 entries.

Men who crochet are invited to compete in the big Speed Crochet contest on Friday, Aug. 1.

EARLY DAYS OF ANTIOCH

(By J. M. Horton)

THE INDIANS IN LAKE COUNTY

Although various tribes of Indians had at previous times roamed these parts, it was primarily the Pottawatomies who inhabited Lake County when, by the treaty of 1833 held at Chicago, these lands were ceded to the government and became public land, open to settlement by white people.

The Pottawatomies were one of the largest and most powerful of the Indian tribes of the Northwest Territory. They, along with the Ottawas and the Chippewas, constituted the three subdivisions of the Ojibwas who in turn represented a numerous family of the Algonquin nation.

Originally holding lands around Green Bay, they as early as 1678 began spreading southwards along the west shore of Lake Michigan. By 1821 they were represented as thinly scattered in tents over a very great extent of country, stretching from the "Menomonees of Milwaukee" and the "Winnebagoes of Green Bay, down around the head of Lake Michigan beyond the St. Joseph river to the headwaters of the Maumee and the Wabash in the land of the Miami; and towards the west, their territories extended to Rock River and both sides of the Illinois to the lands of the Sacs and Foxes on the Mississippi.

The meaning of their name is, "We are making a fire," the words being a translation into the Pottawatomie language of the name first given to the tribe by the Miami. They were divided into four branches, or clans, called by names which signify, respectively, the golden carp, the tortoise, the crab and the frog. These Indians were tall, fierce and haughty.

Father Allouez described them as idolatrous and polygamous, yet possessing a rude civility and as being kindly disposed towards the French. This friendship continued unbroken until the expulsion of the French from the Northwest.

They fought on the side of the French in the French and Indian war, and later aided in capturing and reducing the British posts. But during the war of 1812 they actively supported the British against the incoming Americans. They were also prominent at the Chicago massacre, 1812.

In 1821, and even later, Wisconsin and the northeasterly portion of Illinois were inhabited, for the most part, only by Indians. On the occasion of a treaty held at Chicago in that year, they assembled from all quarters to the number of 3,000. Straggling parties were seen everywhere, proceeding to the appointed place, usually on horseback, and decorated, according to the Indian taste, with medals, silver bands, and feathers. An early day participant of the event tells us, that "the gaudy and showy dresses of these troops of Indians, with the jingling caused by the striking of their ornaments, and their spirited manner of riding, created a scene as novel as it was interesting. Proceeding from all parts of a very extensive circle of country, like rays converging to a focus, the nearer we approached, the more compact and concentrated the body became; and we found our cavalcade rapidly augmented, and consequently the dust, confusion and noise increased at every by-path which intercepted our way."

The Pottawatomies were parties to

the final treaty at Chicago in 1833 which saw the last of the Indian owned land of Illinois taken over by the white man. By it, the northeast corner of Illinois was ceded, including the land of Lake County.

This tribe was among the last to remove beyond the Mississippi River, their final emigration not taking place until 1838. In 1846 the scattered fragments of this once powerful and numerous tribe coalesced with those of the Chippewas and Ottawas, and formed the Pottawatomie nation.

They ceded all their lands, wherever located, to the U. S. for \$850,000, agreeing to accept 576,000 acres in Kansas in lieu of \$87,000 of this amount. Through the rapacity and trespasses of white settlers, this reservation was soon dismembered, and the lands passed into other hands. In 1867, under an enabling act of Congress, 1,400 of the nation, then estimated at 2,500, became citizens.

Next week: Indian Ways of Living.

Letters to The Editor

AMERICAN MOTORS CORP.
14250 Plymouth Road
Detroit 32, Michigan

Dear Mrs. Gaston:

Since your newspaper is carrying Rambler advertising and is, therefore, playing an important part in the growing success of Rambler, it seems to us that you will be interested in our sales progress and our newspaper advertising program.

It is a pleasure to report to you that Ramblers are selling at the fastest rate in our history—up to 78 per cent over last year for the first eight months of our fiscal year. The greatly heightened buyer interest in economy, the acceptance of our 1958 styling, the rapid expansion of our dealer organization, and the introduction of the new 100" wheelbase Rambler American all make us confident that Rambler sales will continue their steady increase.

You will be pleased to know, too, that newspapers are receiving a larger share of our advertising budget than any other medium, and our total expenditures for newspaper advertising this year are substantially greater than for last year. The results which our consistent use of newspapers this year is producing and the outstanding merchandising cooperation we are receiving from newspapers generally are both highly gratifying, and we know that we can count on your continued attention and support.

Many thanks for your good service.

Very truly yours,
E. B. Brogan,
Advertising Manager
Automotive Division

LEGAL NOTICE AN ORDINANCE SETTING FORTH THE BUDGET AND MAKING APPROPRIATIONS OF SUMS OF MONEY FOR ALL OF THE NECESSARY EXPENDITURES OF THE "FIRST FIRE PROTECTION DISTRICT OF ANTIOCH TOWNSHIP", LAKE COUNTY, ILLINOIS, FOR CORPORATE PURPOSES FOR THE FISCAL YEAR BEGIN- NING MAY 1, 1958 AND ENDING APRIL 30, 1959.

WHEREAS, there has been prepared in tentative form a budget and appropriation ordinance for the First Fire Protection District of Antioch Township, Lake County, Illinois, and the Secretary of said Fire Protection District has made the tentative budget and appropriation ordinance available to public inspection for at least one week prior to final action thereupon;

AND WHEREAS, a public hearing was held as to such budget and appropriation ordinance on the 24th day of June, A. D. 1958 at 8:00 o'clock P. M., Central Daylight Saving Time, notice of which was given at least one week prior thereto by publication in the Antioch News, a newspaper published in said Fire Protection District, and all other legal requirements have been complied with;

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE FIRST FIRE PROTECTION DISTRICT OF ANTIOCH TOWNSHIP:

Section 1. That the fiscal year of this Fire Protection District be and the same is hereby fixed and declared to be from May 1, 1958 to April 30, 1959.

Section 2. That the following budget, containing an estimate of the cash expected to be received by said Fire Protection District during such fiscal year from all sources, an estimate of the expenditures contemplated for such fiscal year and a statement of the estimated cash expected to be on hand at the end of such year, be and the same is hereby adopted as the budget of said Fire Protection District for the said fiscal year and shall be in full force and effect from and after this date:

Estimated Receipts
1. Cash balance, beginning of year \$ 5,456.46

2. Estimated amount of cash that will be received during this fiscal year from all sources 5,000.00

Total estimated receipts 10,456.46
Total of Estimated Expenditures for Fiscal Year 7,000.00

Estimated cash to be on hand at end of such year \$ 3,456.46

Section 3. That the following sums of money be and the same are hereby appropriated for the corporate purposes of said First Fire Protection District, herein specified, for the fiscal year ending April 30, 1959.

1. ADMINISTRATION EXPENSE FUND

(a) For stationery, books, records, office supplies, printing, postage and miscellaneous office expense \$ 25.00
(b) For publication of legal notices 75.00

2. LEGAL EXPENSE FUND

(a) For legal services and expenses 175.00

3. FIRE PROTECTION FUND

(a) For purchase of fire protection equipment and apparatus 2,000.00

4. FIRE EQUIPMENT MAINTENANCE FUND

(a) For repair, care, support and maintenance of fire protection equipment 450.00
(b) For gas, oil and supplies for fire equipment 50.00

5. SALARY FUND

(a) For compensation to firemen and fire chief 2,750.00
(b) For trustees' compensation 100.00

6. RENT FUND

For lease of fire protection equipment and storage thereof from the Village of Antioch, pursuant to contract 800.00

7. INSURANCE FUND

For insurance on equipment 150.00

8. CONTINGENT FUND

For contingent, miscellaneous and general unforeseen expenses, not included in any item above 200.00

Total \$ 6,775.00

SECTION 4. That the unexpended balance of any item or items of any appropriation made by this ordinance may be expended in making up any deficiency in any item or items in the same general appropriation made by this ordinance.

SECTION 5. That should any clause, sentence, paragraph or a part of this ordinance be declared by a court of competent jurisdiction to be invalid, such declaration shall not affect the validity of the ordinance as a whole or any part thereof other than the part so declared to be invalid.

SECTION 6. This ordinance shall be in full force and effect after its passage, approval and publication, in accordance with the law.

D-X BORON

missile-power at no extra cost*

You get it with your very first tankful of D-X Boron:
more knock-free mileage!

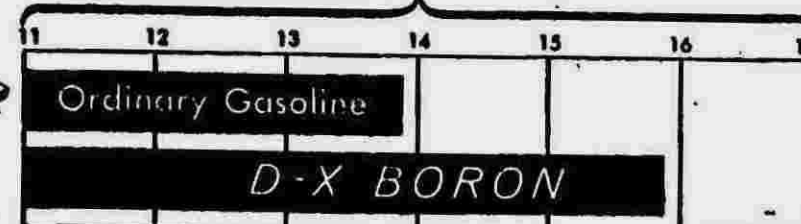

Only D-X Sunray in the Midwest harnesses the power of the wonder element boron for your engine.

This means only in D-X Boron Lubricating Motor Fuel do you get the kind of power that gives jet engines up to 40 per cent more thrust. The kind of power that rockets satellites into outer space.

With D-X Boron you discover a new world of car performance. You get a revolutionary new kind of energy which boron releases in missiles, jets, and now automobile engines.

So follow the red boron arrows. They lead you to D-X Boron Lubricating Motor Fuel.

*Why D-X BORON Costs No More Than "Ordinary" Gasoline
MILEAGE PER GALLON

THIS CHART reflects the testimony of thousands of D-X Boron users. It shows D-X Boron pays its own way by increasing mileage. Boron costs more to make and buy—but in terms of mileage it actually costs less than ordinary gasoline. Our D-X Trial Bond guarantees extra mileage or your money back. Prove it at our risk.

SOCIETY EVENTS

Miss Howard Is Bride of E. W. Cassidy

Miss Patricia Ann Howard, daughter of Mr. and Mrs. Winfred G. Howard, O'Plaine Road, Gurnee, became the bride of Edward William Cassidy, son of Mr. and Mrs. Thomas Cassidy, of Gurnee, in a recent ceremony at St. Peter's church, Antioch. The Rev. Alfred Henderson officiated at the double ring ceremony. Bouquets of white snapdragons and peonies decorated the pews.

The bride's gown was fashioned of white bridal satin with a scallop neckline trimmed with sequins and pearls and a full train. Her fingertip veil was held in place by a crown of sequins and pearls, and she carried a cascade bouquet of stephanotis and white cattleya orchids.

Mrs. Larry Klemm attended the bride as matron of honor, and Miss Eileen Schutte and Miss Mary Donovan were bridesmaids, with Marilyn Chiappetta as junior bridesmaid.

Gerald Cassidy was his brother's best man, and ushering guests were Joseph and Paul Cassidy, the bridegroom's brothers, and Thomas Howard, brother of the bride, and Fred and Robert Gillings, twin cousins of the bride were honorary ushers.

The bride's attendants wore ballerina length gowns of lavender taffeta and carried white lace fans with vanda orchids.

A reception followed the ceremony at the home of the bride's parents. Hostesses were Mesdames Robert Chandler and Don Chiappetta, assisted by Mrs. Lloyd Reinhardt, Joanne Hayden, Mrs. Richard Carlucci and Mrs. Joe Gungler.

The bride is a graduate of Warren Township High school and of Beloit College and is a teacher at the Antioch Township High school. The bridegroom is a graduate of Warren Township High school and of DePauw university, Greencastle, Indiana.

Following a honeymoon to New York and the Smoky Mountains, the newlyweds are making their home in Antioch.

Masaro-Dittmer Vows Solemnized In Kenosha Rite

Judith M. Masaro, 5513 8th Avenue, Kenosha, Wis., daughter of Ralph A. Masaro, 6729 17th Avenue, Kenosha, became the bride of Fred D. Dittmer, son of Mr. and Mrs. Fred Dittmer of Grass Lake, Antioch, at 12 o'clock mass, in St. James Catholic church, Kenosha, June 21. Officiating at the double ring ceremony was the Rev. Fr. Manley.

The bride, given in marriage by her father, chose for her wedding a brush sweep all tulle gown. The neckline was fashioned in an off shoulder effect trimmed with lace applique embedded with sequins and pearls. Her short sleeves were draped and shurled. The bouffant skirt was trimmed with lace applique, sequins and pearls, with shadow ruffles of nylon tulle on the underskirt. Her headpiece was a tiny queen's crown with long side clips of pearl and sequins from

Mrs. Edward W. Cassidy

which fell a fingertip veil of pure silk French illusion. She carried a bouquet of white sweetheart roses.

The bride's attendants were Miss Edith DeRose, cousin of the bride, maid of honor and Donna Dittmer, sister of the bridegroom, and Beverly Richio of Kenosha were bridesmaids. They wore ballerina length gowns of all white crystallette, the bodice was fashioned with a scoop neckline, with draped detail under the bust line, the back was fashioned with a deep V with a bow at the waist. Their headpieces were crystallette picture hats to match their gowns. They carried cascade bouquets of white and red roses.

Serving as best man was Harry Conrad of Antioch. Ushers included Richard Dittmer, Cincinnati, Ohio, and Jerry Dittmer of Antioch, brothers of the bridegroom.

Mrs. Del Conte sang Ave Maria. A reception for 200 guests was held at Red Leonard's Steak House, State Line and Sheridan Road.

The bride is a graduate of Mary D. Bradford high school, Kenosha, and is employed as secretary at Warwick's of Zion. The bridegroom is a graduate of Antioch Township high school, served four years in the U. S. Air Force, spending two years in Iceland and a year in Maine. He is now employed as sales representative for Singer's of Waukegan.

After a wedding trip to northern Wisconsin the newlyweds will make their home at Issetts Apts., Kenosha.

Enrolled at Wheaton College
Miss Fern A. Mattson of R.F.D. 1, Lake Villa, enrolled in the 44th annual summer school at Wheaton College, Wheaton, Ill., for the intersession, taking a course in the philosophy of teaching.

Married at Ames, Iowa, on June 13

Mr. and Mrs. Jerry Bortelt, Baltimore, Md.

Births in Antioch Area

A son was born Monday to Mr. and Mrs. Chester Rich of North Shore, Loon Lake, at Victory Memorial Hospital. This is the second boy in the home.

Timothy Craig is the name of a son weighing 8 lbs., 5 1/2 oz., born to Mr. and Mrs. George Sass Jr. of Fox Lake Hills at Victory Memorial Hospital, Waukegan, on June 20. Another son, Mark Brian, is 1 1/2 years old.

Gretchen Biel, daughter of Mr. and Mrs. Louis A. Biel of Antioch was on the honor roll for the spring semester at Lake Forest College, according to Dean William Dunn.

Celebrate Their Golden Anniversary June 22

Mr. and Mrs. Charles H. Hanke of Bluff Lake, Antioch, celebrated their 50th wedding anniversary and Mr. Hanke's birthday on June 22 with a family dinner at which 32 members were present.

Mr. and Mrs. Hanke were married on June 24, 1908, in Chicago, Ill., and shortly thereafter moved to New Mexico where they resided for 16 years. During this time Mr. Hanke was active in state political affairs, having been a member of the House of representatives for a number of years.

After their return to Illinois Mr. and Mrs. Hanke were engaged in the restaurant and tavern business in rural Antioch. Now retired, they spend their winters in Florida and the summer months with their older daughter, Mrs. H. F. Rogers of Bluff Lake, where their younger daughter, Mrs. L. L. Davis also resides.

Both Mr. and Mrs. Hanke are in excellent health and are looking forward to many more happy anniversaries.

BARBARA YATES VISITS RELATIVES IN ENGLAND

Miss Barbara Yates, Antioch and Miss Hillary Harders, Grayslake, who are on a European tour with Miss Cornelia Roberts and her niece, Mary Patricia Simpson, also of Grayslake are at present visiting relatives of Miss Yates' in Somersetshire, England. They will then join Miss Roberts and Miss Simpson in Scotland and leave on a 10 day, North Cape Cruise, which will take them up the coast of Norway to the Arctic Circle, and back through Norway, Sweden, Denmark and Finland. The next step of their tour will take them to the continent and they plan to be at the World's Fair at Brussels on August 2, 3 and 4.

Attention Musicians

The V.F.W. of Lake Villa is forming a drum and bugle corp. Persons interested are to contact Mr. E. Kasting EL 6-2711, Lake Villa, or J. H. Shaurlette, Soo Line Depot, Antioch 565. Next meeting is Wed., July 9, 1958, V.F.W. Hall, Lake Villa.

Nuptial Mass Unites Pair

At a 9 a. m. High Solemn Nuptial Mass at Holy Name Catholic Church on June 21, Miss Rose Seltz became the bride of William C. Podella.

The bride, the daughter of Mr. and Mrs. Mike Seltz of Wilmet, Wisconsin, was given in marriage by her father. The bridegroom is the son of Mr. and Mrs. William Podella, 50338 17th Avenue, Kenosha, Wisconsin.

The Rev. Harold Herbst performed the ceremony at an altar decorated with white mums and white glads. Mrs. George Merkt sang, accompanied at the organ by Mrs. Ben Wagner.

Attending the couple were, Mrs. Charles Hofner, sister of the bride, as maid of honor, Miss Carla Blodgett, Mrs. Albert Forgianna, sister of bridegroom, bridesmaids, flower girls were: Nancy Hofner and Carol Seltz, and Robert Podella, brother of the bridegroom, as best man, Benjamin Kasken and George Mueller, were groomsmen and James Seltz and Larry DeRome, ushered.

The bride wore a floor length gown of tulle with lace trim, the bodice was fashioned with a V neckline accented with sequins and pearls. The full skirt was adorned with a lace set in pattern. Her headpiece was a scalloped crown with side clips trimmed with sequins and pearls from which fell a pure French silk illusion veil. She carried a cascade bouquet of white carnations, white orchids with yellow roses. Her attendants were dressed alike in ballerina length gowns of blue taffeta, and carried colonial bouquets of white and yellow carnations with blue tulle.

A wedding breakfast was served at the home of the bride's parents following the ceremony. A reception for 450 guests was held at the Gayety Club, at Twin Lakes, Wis.

Following two week wedding trip to the East and Cape Cod, the newlyweds will live at Bel Air subdivision, Twin Lakes.

Miss Cherry Bach, daughter of Mr. and Mrs. Robert Bach, Rte. 21, returned home Saturday from a month's visit with her uncle and aunt, Mr. and Mrs. Adrian Rudolph, in Great Barrington, Mass.

Cheryl flew both ways, in the company of another uncle, Herbert Bach, who went to New York on business.

Takes Law Course

Bryan Cain, Antioch, a delegate to Boys State, has elected to take law instruction under the teaching of County Judge Otto W. Kerner of Cook County, and Judge Henry Evans, member of the staff of the John Marshall School of Law. After he has heard lectures on parliamentary law, constitutional law, torts, criminal law and contracts, Cain will receive an attorney's certificate of qualification at commencement exercises. The Antioch American Legion is his sponsor.

GRASS LAKE CUBS GO ON TRAIL HUNT

Pack night for Pack 80, Thursday, June 26, opened with a game which was lots of fun for the cubs and the Dads who joined in. They went on a Trail Hunt through the woods behind the Grass Lake School, following notes and clues which had been placed there earlier.

The boys of Den 4 opened the meeting with a flag ceremony and then led in the Pledge of Allegiance. The following boys received awards:

Bobcat Badge — Robert Babe and Matthew Nolan.

Wolf Badge — Richard Hart, Dennis Lindewirth and Leonard Rozek.

Lion Badge — Tom Wojnowiak.

Gold Arrow under Wolf — James Lietz.

Silver Arrow under Wolf —

Charles Robertson.

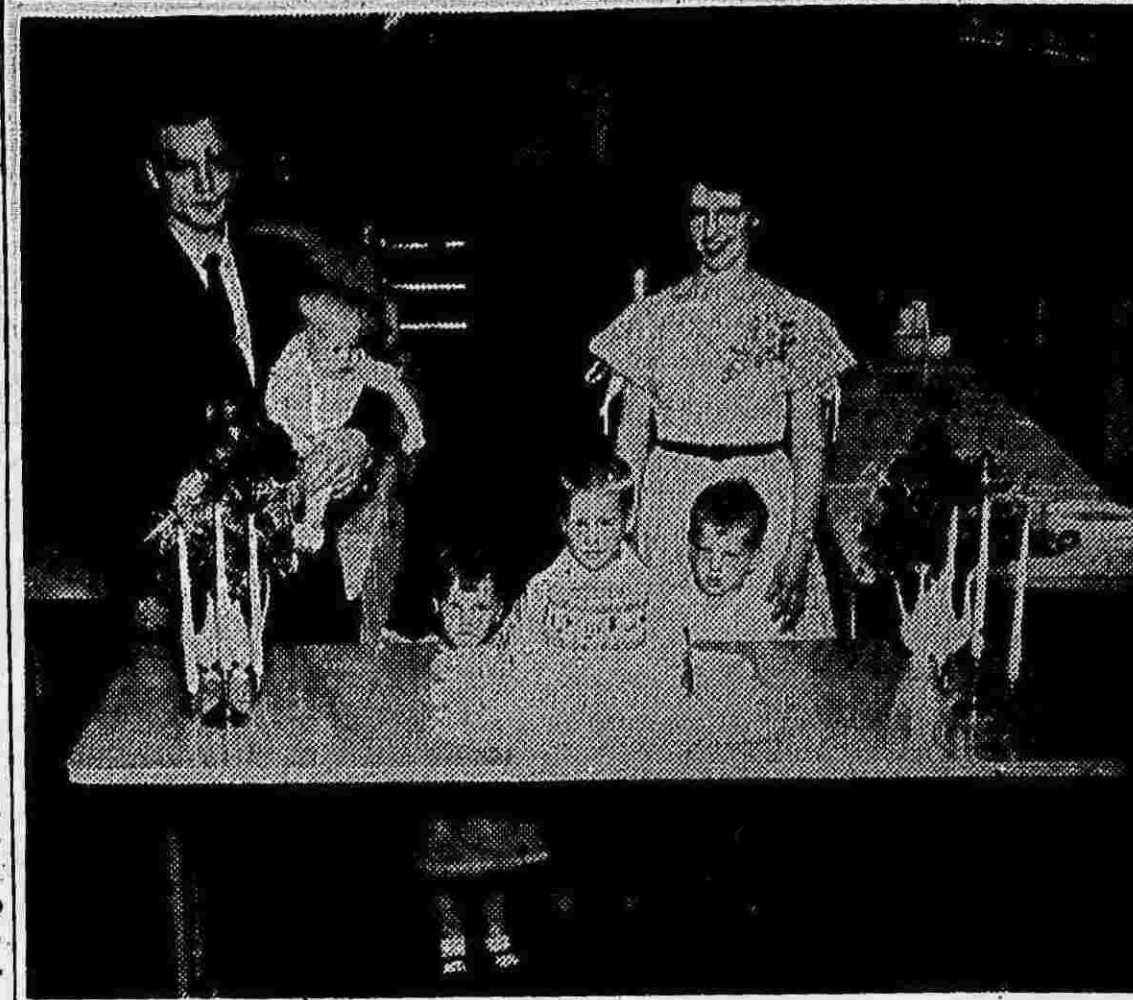

Gold Arrow under Bear — Robert Sedivec.

Hostesses for the evening were the mothers of Den 4 with Mrs. Sedivec, acting Den Mother, in charge. They surprised everyone with a real treat when refreshments, time arrived — fresh baked apple pie.

The Antioch News and Antioch Theatre invite Mr. Fred Hawkins, 869 N. Main st., and one to attend Sunday, Monday or Tuesday's showing of "God's Little Acre" at the Antioch Theatre.

To produce one ton of primary aluminum requires enough electricity to supply the electrical needs of a six-room house for 15 years.

Farewell for Chenettes Given Sunday

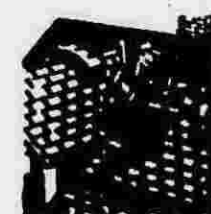

Posed during the farewell party given them Sunday afternoon are, left to right, Louis Chenette, holding Phillip, Nancy, David, Jonathan, and Mrs. Chenette. Mr. Chenette is leaving Antioch Township High School's teaching staff to become bandmaster at Bemidji State College, Bemidji, Minn. (Polley Photo)

Prairie 4-H Club Sees Chicago Museum

Members of the North Prairie Agriculture club spent Sunday, June 8, at the Museum of Science and Industry. The youngsters as well as the adults thoroughly enjoyed the trip through Farm-City where they viewed the effect of 4-H Clubs on lives of farm and city dwellers. They enjoyed the trip also through the coal mine, the submarine, and the other exhibits. The next outing for the club will be a beach party some time in August.

Rosenfeldts Here on Visit

Mr. and Mrs. Arthur Rosenfeldt, formerly of Antioch, now residing in Sarasota, Fla. are in the Waukegan and Antioch area on a three-week visit. They were accompanied from Florida by Mrs. William Topel, arriving in Waukegan last Thursday. They are visiting the Topels at Gurnee. Mr. Rosenfeldt has had several years of sickness since leaving Antioch, but is now in good health again. He was a village trustee here 14 years and worked at the Ford garage.

New Antioch Plant of McHenry Ready-Mix Co. In Operation at 10-Acre Site on No. Main St.

With another 80 x 60-ft. building yet to be constructed the McHenry Ready-Mix Co., Inc., last Thursday opened its third and largest concrete manufacturing plant on North Main street at the edge of the village. The move is in anticipation of the vast growth of the community in the next few years.

The large concrete mixing building is along the north side of the Soo Line tracks where a siding makes a place for the unloading of gondola cars of cement, stone and gravel.

The cement may be unloaded directly to the mixing chute or elevate to the large tank that can hold three carloads, or 1,200 barrels (4,800 94-pound bags).

Gravel and sand is likewise hauled in by cars and elevated by cranes to the mixer in the high elevator.

The second building yet to be constructed, will be placed near the highway and will contain the office and garage. A heating plant will be installed there to send heat through underground pipes to the mixer for use during the winter and to keep the water and materials at the proper temperature.

The plant is owned by the Miller brothers, Charles, who is chairman of the McHenry County Republican Central committee; Jerome and Eugene. The firm was first known as the McHenry Sand and Gravel Co., and was incorporated in 1948. Two years ago the name was changed.

The corporation started its second plant at Hainesville, and this is its third plant.

Joseph Gausden is the sales manager and is assisted by Charles Bergdahl on the sales staff. Dick Mahal is the plant manager.

Winners Selected at 4-H Festival Saturday To Go to District Meet

Lake County 4-H Clubs presented their sixth "Share-the-Fun" festival at Warren Township High School in Gurnee at 7:30 p. m. last Saturday.

The program was arranged by Mrs. Helen Volk, county home advisor and Ray T. Nicholas, county farm advisor, with the assistance of the 4-H leaders.

The judges for the event were Mrs. Betty Daly, Miss Nancy Nelson, and Mr. John Norris. They selected 16 acts from a total of 42 acts in six various categories to receive an A rating. They are as follows:

Master of Ceremonies—Christine Kirkbride from the Tip Top Teens; Stunt or Novelty—Ted Manzke and Judy Hostetler, "Hi—A Night at the Movies"—Flynn Valley; Hawthorn Handymen, "You've Gotta Have Heart"; Volo Busy Bees, "Kitchen Band"; Wildwood Homettes, "Touring the U. S. A."; and Mundelein Lassies, "Dixieland Caper".

Dance—Sequoit Suzies, "Seven Jumps", and Clever Clovers, "Flower Fantasy".

Instrumental—We Willing Workers, "Jolly Caballero"—Darlene Schmidt; Grayslake Agricultural, "Poet and Peasant Overture" Frank Dodge; and Flynn Valley, "Trombone Solo"—Ron Johnson.

Vocal—Indian Creek, "4-H 'Round the World"; Jolly Bunch, "Blue Shadows on the Trail"; and Mundelein Lassies, "Rhythmic Choir." Value of 4-H—Sharon Vondracek of the Mundelein Maidens; and "Soil Conservation"—Gerry White of Grayslake Agricultural Club.

From this group three acts and a master of ceremonies were chosen to attend the District "Share-the-Fun" Festival on Monday afternoon, July 7, at 1 p. m. at St. Charles High School where they will compete with ten other counties. This group includes Christine Kirkbride,

the Wildwood Homettes, the Mundelein Lassies and the Jolly Bunch. District winners will take part in the State Fair Festival at Springfield in August. The boy and girl winners of the Public Speaking Contest will go to the State 4-H Public Speaking Contest held during the State Fair in August.

4-H Health Night at Fair Grounds July 9, Tests by P. E. Experts

Two expert physical training specialists will be in Lake County for 4-H Keeping Fit Field Night on Wednesday, July 9.

Farm Adviser Ray T. Nicholas says the two are Charles M. Tipton and Richard Berger, both graduate students at the University of Illinois School of Physical Education.

Keeping-Fit Field Night is scheduled to start at 7:30 p. m. o'clock at the Lake County Fair Grounds located on route 45 about one-half mile north of route 120.

Both men are highly qualified by study and experience in physical fitness and health. Tipton has helped to conduct 4-H tests during four summers previous to this year. A physical education teacher, he has spent the past two years at the University Rehabilitation Laboratory reconditioning paraplegics and polio patients.

Berger has been active in youth groups, youth camps, and as a coach for weight lifters. He recently won the National Intercollegiate weight-lifting championship in his weight class. He has studied the physiology of exercise and at present is a research assistant in physical education at the University. Both men are working toward their doctor's degree.

During the field night, these men will test the physical fitness of 4-H members and then instruct them in methods to improve their scores. The health H is an important and often neglected part of the 4-H program. Usually about 10 per cent of the 4-H members participate, and their average level of fitness is lower than it should be. Just because boys and girls live in the country is no reason to assume that they are physically fit—in fact, there is much evidence to show that they are less fit than many urban children.

Parents are urged to attend this field day and learn how to use the growth chart that will be given each boy and girl. Parents should know the results of the tests and recommend ways for improving the fitness level of their children.

The specialists will explain why proper food, sleep and exercise are so important in youth as the means for building a sturdy base for good adult health. Each member will be given a growth chart from which his parents can tell whether he is growing according to schedule.

4-Hers who make improvement over their last year's scores will receive a keeping-fit emblem, according to Nicholas. These emblems will be distributed at the county 4-H Achievement Day program next fall.

Scout News

Boy Scout Troop No. 91 held its regular weekly meeting Monday night at the American Legion Home. The Scouts were taught by Mr. White, scout master, how to identify wild edible plants.

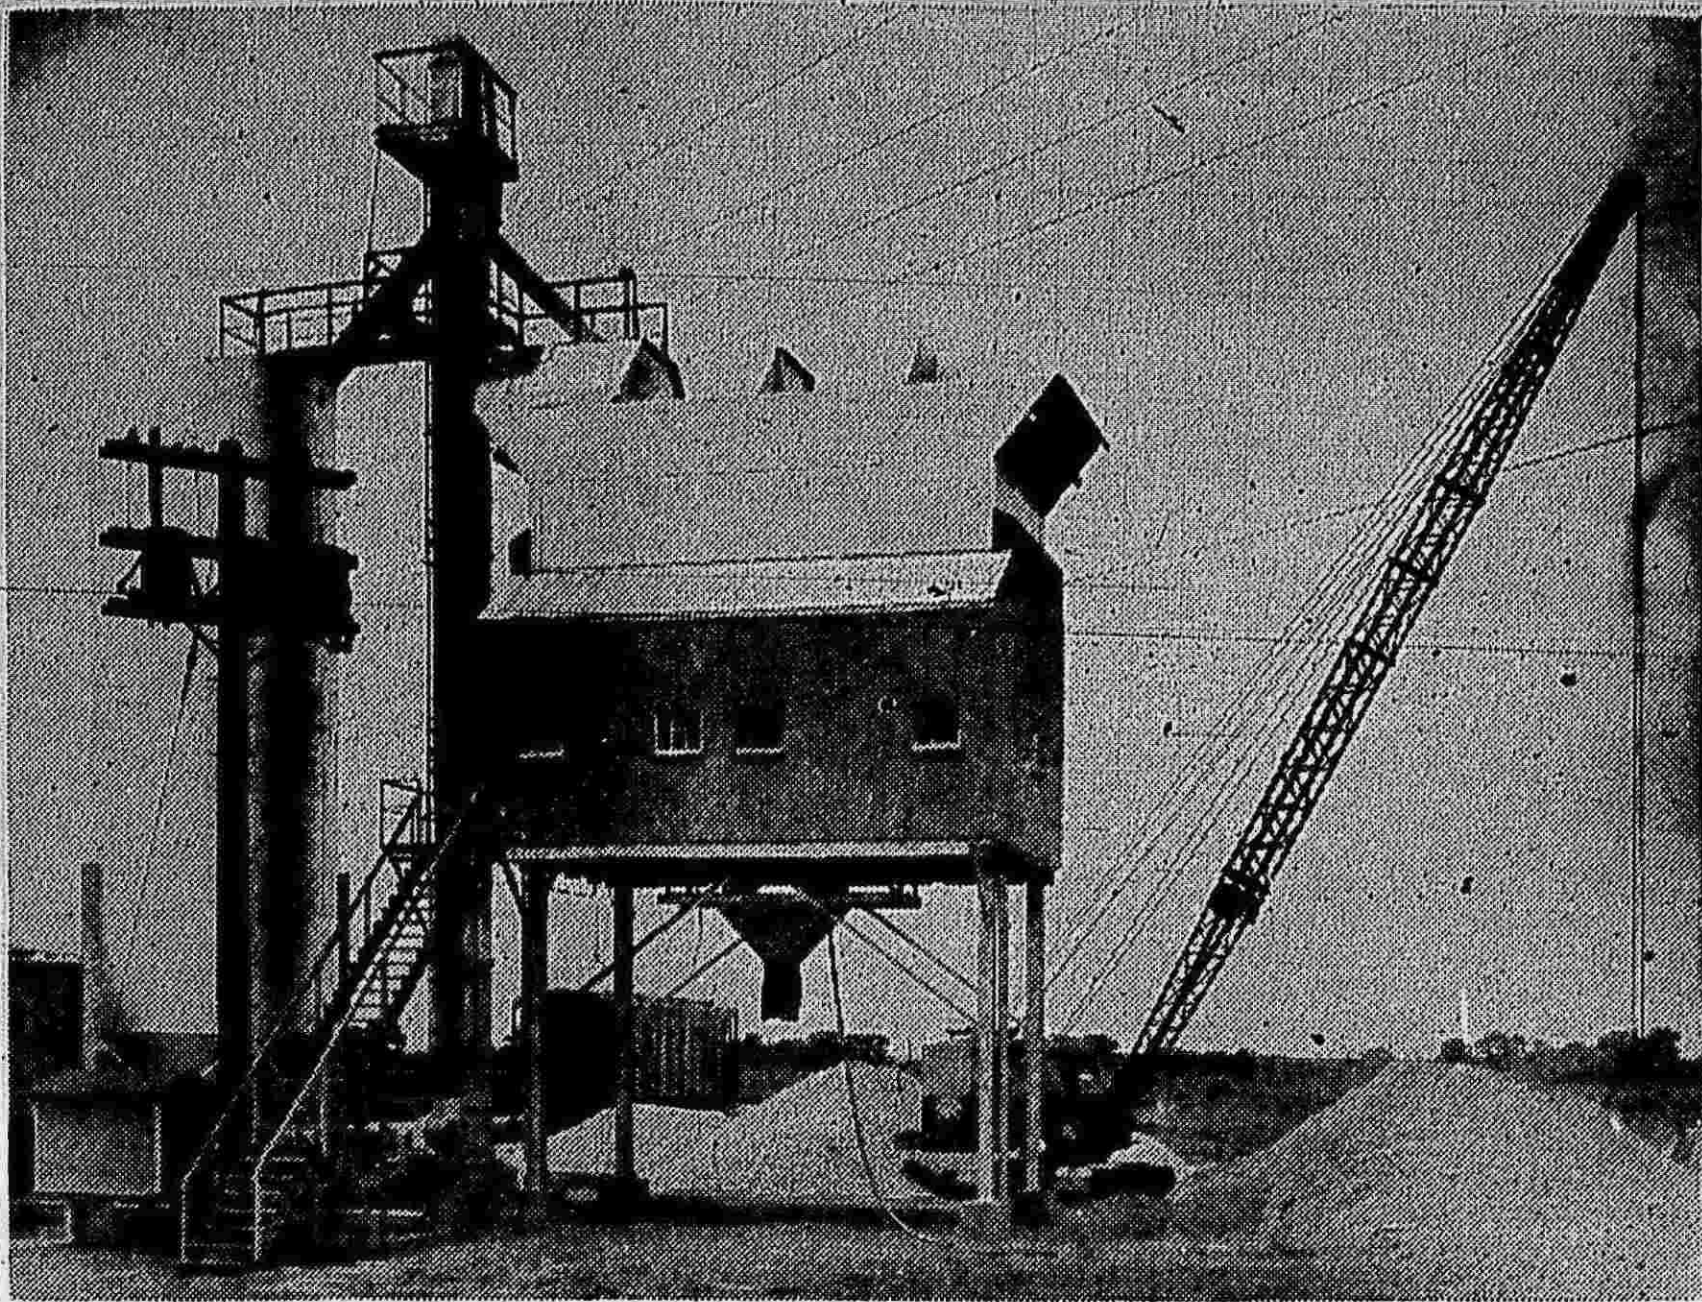

Plans were made for participation in the carnival July 9 to 13. The boys will have two games, a bottle game and a pitch and dunk game. The boys had an outing at River-view park Tuesday night. Troops 91 and 92 were taken to the park by Troop 92 bus.

Officers Installed by the Women of the Moose

New officers of the Women of the Moose No. 735 were installed last Thursday evening in the Moose Home. They are, left to right, Mildred Gillum, junior graduate regent; May Palmer, senior regent; Emogene Case, junior regent; Jane Verket, chaplain; Evelyn Erickson, recorder; Helen Jarvis, treasurer; Bernice Kolar, guide; Mildred Stroner, assistant guide; Shirley Schlessner, sentinel; Regine Kurasch, Argus and Gladys Schroeder, pianist. (Polley Photo)

New Antioch Plant of the McHenry Ready-Mix Co., Incorp.

Largest of its three ready-mix concrete plants is this new plant of the McHenry Ready-Mix Co., Inc., opened last Thursday on a 10-acre plot at the west side of Rte. 83-21 (continuation of Main street) on the north edge of the village along the Soo Line track. The large tank is capable of holding three carloads of cement. The cement may be fed directly from the gondola car to the hopper or stored for use in the tank. Sand and gravel piled at the rear and right, can be lifted by the large crane and dumped into the hopper at the top of the building on slits. The finished product is lowered through the chute into the trucks which continue to mix the concrete until it arrives at the destination.

The penalty against unlicensed peddlers is from \$5 to \$200.

Study Sequoit Creek Cleaning

The village engineer was instructed to investigate water level of Sequoit creek and to determine just what the village must do in its contract with property owners to keep the creek cleared of rubbish, etc. James Herman, property owner, protested that the water is backing up over his land.

The main question is to what extent the village is liable to keep the creek clear west of Tiffany road bridge and whether the bed of the creek must be lowered to effect proper drainage. Herman appeared before the board in making his request.

Supt. of Public Works Edgar Simonsen gave a report of his first day's work which was a busy one.

Simonsen Had Busy Day

Six loads of blacktop were used in patching streets; a crosswalk was made from St. Peter's Church to the Supermarket; and Simonsen himself helped set stakes for the new Victory Carbide Saw and Tool Co. plant in Sequoit Acres, for which Homer Laplant has the general contract. In addition to that the street force cut weeds.

It was a busy day, the board agreed.

The Lakes Theater was given a 10-day temporary permit to operate, at which time it must have the state fire marshal's approval before it can continue. Manager Meyers said that he expects to have all required work done by that time, and that in opening last night, he thought he had completed the main requirements.

The theater, located on Main st., had been closed for seven months, and was in bad condition.

Art Rosenfeldt, a village trustee for 14 years, who resigned because of poor health in 1952 and went to Florida, was a visitor at last night's board meeting and was royally welcomed.

Howard Ballwanz was appointed village patrolman for two months at a wage of \$250 a month. He will fill in during interim of other police time and inspect parking meters.

The board approved effort at mosquito control and Trustees John Blackman and E. H. Glenn were appointed as a committee to arrange for the service.

ECONOMY TV TOPICS

(By Harold "Pete" Peterson)

RECEPTION VARIATION

The ECONOMY TV on Rte. 173, 1 mile West of Antioch was complimented by a new resident of the area. "Our TV never worked quite as good as it does now," the lady remarked.

Of course, we like compliments just like everyone does, but we had to tell the lady that although we pride in doing professional electronic installations, it could have been the fact that this location is a much better one than the one she came from. In fact, sometimes a distance of a hundred feet can make a difference in signal quality. The answer is in both the installation and a good location.

When you phone Antioch 1454 for any kind of electronic service, we will assure you satisfaction in receiving the finest of electronic service possible.

State Referendum.....

Correct—Attest:

Elmer Rentner, W. C. Petty, R. E. Barnstable
State of Illinois, County of Lake, ss:
Sworn to and subscribed before me this 1st day of July, 1958, and I hereby certify that I am not an officer or director of this bank.
(SEAL) Edward C. Jacobs, Notary Public.
My commission expires March 23, 1962.

organizations and agencies are mustering their forces to meet the problem. A state-wide civic committee has been formed with headquarters in Chicago. One of the first goals of that committee is to enlist the support of every community in the state.

The committee plans to tackle one problem at a time and its first objective is to work for the referendum to be voted on November 4 which will provide a \$248,000,000 fund. \$81,000,000 will be made available to the Department of Public Welfare to begin rehabilitating existing facilities and construct additional needed buildings. The Civic Committee is urging every concerned citizen to give one 8-hour day as a contribution toward the successful passing of the bond issue.

Card of Thanks

We wish to thank the Antioch Rescue squad for all their assistance, relatives, neighbors and friends for their acts of kindness shown during our recent bereavement.

Co. Fair at Wilmot, Wis. to be Bigger than Ever; Junior Fair Outgrows Quarters, One Nite Status

WILMOT—Officers, directors, and heads of the various departments of the Kenosha County Fair Assn. are agreed that this year's fair on Aug. 7, 8, 9, and 10, will be bigger than ever.

President Marlin M. Schnurr said that expanded space, new classification of exhibits are evidence of the growth of the fair.

Advance activity in the commercial and industrial exhibit sector was noted by Winn Peterson, head of that phase of Kenosha County Fair displays. Peterson reported half of the enlarged space available in the new commercial building has already been taken. He said the majority of booth space was rented at an open house program, June 15, when previous fair exhibitors inspected new quarters.

Additional evidence of growth of the fair was given by County Home Agent Doris Eckstein who reported the dress revue feature of the Junior Fair has outgrown its one-night status and will require expanded space and programming. Members of the association board authorized a break-down of the revue into a series of showings which will be presented on the free act stage of the fairgrounds.

Change Exhibits

Another major change in the locale of fair exhibits was authorized when directors allocated the Educational Exhibit, placed former years in the high school building, to the quonset building. County Agent Paul Jaeger and Supervising Teacher Virgil Recob reported plans for blending the 4-H and Educational displays in the building. The school phase will be on the west side of the quonset, and the 4-H exhibits will occupy the center island and east wall display areas of the building.

Peterson said plans for the former commercial tent call for an enlarged automotive show.

A further expansion was indicated

for the grandstand area in a report by Miss Grace Carey who revealed the first-night showing of a Hayloft Jamboree, under the direction of Mrs. Florence Dexter, Trevor.

Schnurr reported the grandstand will be the scene of stock car races Friday and Saturday nights, a free Tractor rodeo Saturday afternoon, and the Newberry Thrill Show on the afternoon and evening of August 10.

Fred Sarbacher, Jr., Bassett, chairman of the annual Queen Contest committee, reported entry blanks are being prepared for publication, and Schnurr advised department heads that requests for tents must be submitted one week prior to the fair opening.

Lumber requests must be submitted before July 28 to permit delivery before the volunteer work Sunday, August 3.

A report by Fair Director George B. Price of a plan by the Kenosha Junior Chamber of Commerce to landscape the north end of a series of pools now under construction at the grounds was given enthusiastic acceptance. Director Earl Elfers reported the roadway east of the pools will be elevated in grade to permit better traffic facilities.

Photo Exhibit

Cecil Elyea, supervisor of the photography exhibit, announced plans for a special children's photography show, open to camera fans under 16 years of age. Gilbert Tuttle, director of the parade, disclosed plans for the Children's parade on Aug. 8, and for the entry of several Kenosha bands in the annual fair parade Aug. 10. Schnurr announced arrangements to bring a troupe of performing elephants as a free act for the fair have been completed.

Schnurr concluded his prediction for a better fair with establishment of an attendance goal of 35,000 saying, "We hope we can do it, but the

accomplishment can be attained only with all of our shoulders to the wheel."

TAX FACTS

The Taxpayers' Federation of Illinois today hailed the study, "School Needs in the Decade Ahead" by Roger A. Freeman as a down-to-earth analysis of school needs, with a sane and sensible approach.

The 300-page book, released today by the Institute for Social Science Research in Washington, D. C. is the first volume of a study project on the financing of public schools.

Mr. Freeman is known nationally for his work in public finance, intergovernmental relations and educational relations and education. He was research director for the Education Committee of President Eisenhower's Commission on Intergovernmental Relations, a consultant on school finance to the White House Conference on Education, and served for six years as assistant to

Governor Arthur B. Langlie of the State of Washington. He is now a vice president of the Institute for Social Science Research.

The Taxpayers' Federation calls attention to many popular beliefs relative to public education—beliefs which are examined and in many instances refuted in "School Needs in the Decade Ahead."

1. For years a popular belief has been that the lack of money is the root of all inadequacies in education. Actually, expenditures for public schools have multiplied sixty fold since 1900, while a smaller percentage of the population of the United States is now enrolled therein than there was in 1900.

2. Smaller classes have been championed as affording greater learning opportunities. Actually, findings in the majority of several dozen research studies more often showed academic achievements to be higher in larger classes.

3. It has long since been popular to assume that the teachers are underpaid. Actually SOME teachers are underpaid—not THE teachers.

4. The teacher shortage is due largely to poor pay, according to popular belief. Roger Freeman states that more persons are leaving non-school jobs for teaching than quit teaching to accept private employment.

Although substantial boosts in school funds in the years ahead are inevitable, Mr. Freeman's report de-

clares that the size of the increase depends, above all, on how efficiently school funds are spent.

"Every person sincerely interested in public education should study Roger Freeman's report. It affords a sensible approach to a complex problem," said Maurice W. Scott, Executive Secretary of the Taxpayers' Federation.

Trevor News

(Mrs. Grace Miller, Correspondent)
Tel. Underhill 2-3059

The annual Sheen family reunion was held on Sunday at the Old Settlers' Park in Union Grove and over a hundred relatives were present.

Mrs. Franklin Swanson and daughter, Barbara, Madison, Wis., spent the week-end with her mother, Mrs. Grace Miller and attended the family reunion.

Mrs. Mattis and grand-daughter, Elsie, spent the past week at Aurora with the Hubbard family.

Mrs. Wallace Dobyns, McHenry, Ill., called on Mrs. Joseph Smith and Mrs. Charles Oetting on Thursday afternoon.

Mrs. Nel Runyard and Mrs. Grace Measures accompanied Jim McAnish, a nephew, to Calgary, Alberta, Canada, to visit their sister, Mrs. John Todd.

Mrs. Hattie Curtiss, Ringwood, Ill., visited at the Willis Sheen home on Saturday evening.

The eight children of Mr. and Mrs. Jacob Drom had a family picnic on Sunday at the Trevor Social Center hall and 63 were present. They had formerly lived in Trevor and spent a greater part of their young life there.

Mrs. Anna Stenzel, Wilmet, spent Friday evening with Mrs. Joseph Smith.

Mr. and Mrs. Chas. Oetting and Mrs. Joseph Smith went to Lake Villa on Wednesday evening to help Gail Oetting celebrate her seventh birthday.

Millburn

Mrs. Frank Edwards, Correspondent
Phone Elliot 6-3323

Regular services at Millburn Congregational church July 6, include Sunday School and Church services at 10 a. m. Last Sunday morning the Millburn Laymen had charge of the service. Rev. and Mrs. L. H. Messersmith expect to be back next Sunday after several weeks vacation with their relatives in Farnum, Nebr.

The Study Group met last Thursday morning with Mrs. Robert Drews at Third Lake. The next meeting will be at 9 a. m. Thursday morning, July 10, at the home of Mrs. Frank Edwards.

Mrs. Harley Clark and sons, John, and Glenn, attended the funeral

services for Mr. Clark's sister, Mrs. Caroline Beebe, at Williamsport, Ind., Saturday.

Mr. and Mrs. Herbert Graham and children and Miss Joyce Moore are spending their vacation with relatives at Spooner, Wis.

Mrs. Howard Petty and daughters of Urbana spent several days last week with her parents, Mr. and Mrs. Leslie Bonner.

Guests at the Garrett Trout home on Sunday were Mr. and Mrs. Alfred Taylor and son, James, of Wauwatosa, Wis.; Mrs. Roemelle Pringles and Robert and Diane Pringle of Milwaukee; and Mr. and Mrs. Anton Gillito and son, William, of Rockford.

Mr. and Mrs. Robert Erwin of Waukegan were callers at the home of Mrs. Frank Edwards Sunday.

Mr. and Mrs. Ellis Gott and Mr. and Mrs. Emil Foss of Waukegan spent Sunday evening at the home of Mrs. Lyman Bonner.

Miss Millicent McCally and her mother left Monday for Duluth, Minn.

Three hundred persons attended the newly organized Order of DeMolay at the Masonic Temple last Friday evening. Kenneth Oder, State Councilor of Illinois was the installing officer. P. W. Anderson, installing marshal; Emery Allison, master of ceremonies. Refreshments were served after the installation.

Mr. and Mrs. LeRoy Snowberry and daughters, Jeanne and Caroline, of Tomah, Wis., spent Saturday

and Sunday at the home of Mr. and Mrs. Garrett Trout.

Mr. and Mrs. Oscar Neuhous are spending a few days with their daughter, Mrs. Al Baumgart, at Union Grove, Wis.

Mr. and Mrs. Glen Hauser and

son, Kevin, of Hickory were callers at the home of Mr. and Mrs. Frank Hauser, Monday evening.

The Salvation Army Doughnut Day drive held in Millburn last Friday realized the sum of \$27.52.

The Millburn Maidens 4-H club

held its Share the Fun Festival last Wednesday evening, June 25 in the Warren Township High school gym.

Margaret Paulsen, Virginia White, Cheryl Denman, Jane Bonner, and Lynn Sundin had an act in Share the Fun. Mrs. Vera Zimmerman

accompanied the girls at the piano.

Linnette Murrie, Jerry Davis, Charles Paulsen, Alice Bromstad, and Mary Jane White were the members of the Pilgrim Fellowship of this area to attend camp at Pilgrim Park last week.

530,000 Autos Expected To Leave Chicago Area Over 4th of July Holiday

More than one million persons will be leaving the Chicago area in automobiles over the three-day Fourth of July holiday, according to Motor Club estimates.

The Club's Touring department expects approximately 530,000 cars to leave the area sometime over the holiday period for trips within a 350-mile radius. These 530,000 cars will carry approximately 1,590,000 persons.

Estimates are that 240,000 cars will leave the Chicago area Thursday, July 3, between 4 p. m. and 9 p. m. One hundred thousand cars are expected to leave on Friday, July 4. And an additional 190,000 cars will be leaving for trips on Saturday, July 5.

Adding to the heavy traffic load will be 250,000 cars moving about in the Chicago area proper on each of the three days.

All these estimates are based on good weather conditions prevailing for the three-day weekend.

The Motor Club expects the heaviest congestion to occur Sunday, July 6, between 4 p. m. and 11 p. m., when 375,000 cars will be pouring back into the city. The additional 155,000 cars are expected to return either before or after this 4 p. m. to 11 p. m. period.

Two losing teams of the Randall Rustlers 4-H picnic was held Sunday at Fox River Park. Judy

Honored by Antioch American Legion Post

Dr. G. W. Jensen, Commander of the American Legion Post, left, is shown presenting silver-plated life membership cards to F. A. Swanson and John L. Hovan of Antioch for their many years of service to veterans.

Cates and Judy Rasch were the captains of the losing teams.

Mr. and Mrs. Ernie Schmidt and son, Bruce, Ft. Atkinson, spent Sunday with Mr. and Mrs. William Wertz.

Mr. and Mrs. William Shotliff, Mr. and Mrs. John Sanborn, Spring Grove, Mr. and Mrs. Stanford Heide, Kenosha, spent Friday evening with Mrs. R. C. Shotliff.

Wilmot Methodist Consecration services were held Sunday at the church. Dr. H. Clifford Northcott, Bishop of Wisconsin Area, Rev. Guy Nelson, District Supt. of Milwaukee Dist., and Rev. Carroll Usher, pastor of the Salem and Wilmot churches spoke.

The program follows:

Prelude by Miss Barbara Rasch, organist, and Mrs. Lyle McDougall, pianist; Call to worship by the Women's Choir; Invocation; Moments for Creative Meditation; Anthem; Responsive Psalm; Gloria Patri; Scripture Lesson; Offertory Prayer; Offertory Solo, "The Lord's Prayer," by Mrs. Carroll Usher; Doxology; Hymn;

Presentation of the Bishop by the District Supt. Rev. Guy Nelson; Consecration Sermon by Dr. Clifford Northcott, Bishop of Wisconsin Area;

The consecration of the Wilmot Methodist church, built in 1876 and partially remodeled and added to in 1957-58.

Petite & Grass Lk. News

Mrs. Earl Beese—Antioch 532-W1
Mrs. Walter Johnson—Antioch 405-M1
Correspondents

Hope you missed our column last week and were looking for it. We were sorry but we didn't have enough news items to make it up. Please don't hesitate to call in if you have company or do something interesting.

Brownie Troop 11 of Grass Lake finished off the year with a cook-out a week or so ago, which most of the girls attended. It was held behind the school at the campground and all the girls had fun. Mrs. Barbara Mitchell, Mrs. Marie Nemec, Mrs. Kay Halverson and Mrs. John Mueller, were the leaders in charge of this affair.

Recently a home demonstration was held at the home of Mrs. Barbara Beese, at which her sister, Mrs. John Thompson from Chicago was the demonstrator. It was attended by the following friends and neighbors: Mrs. Muriel Frolich, another sister from Chicago, Mrs. Alice Johnson, Mrs. Benny Kiefer, Mrs. Betty Coons, Mrs. Betty Ernsting,

Mrs. Betty Ferrier, Mrs. Estelle Ferrier, Mrs. Estelle Fleider, Mrs. June Bury, Mrs. Charlotte Queen, and Mrs. Henriette Bletsch. Everyone had such a good gabfest over coffee that the last guest didn't go until after midnight.

Birthdays recently celebrated in the Grass Lake area were: Sheryl Meyer, Peter Leider, Frank Muller, and Susan Ernsting. All these children had gatherings of either friends or relatives to celebrate the occasion.

A large gathering held at the home of Mr. and Mrs. W. L. Westgard of Resthaven Terrace recently. Nineteen guests participated in a party honoring Mr. and Mrs. Dolina from Fort Myers, Fla. All of those present were members of a bridge club together in past years and it was a real reunion for all of them.

Families who recently moved out of our area and who will be missed are the Earl Clayton family with their three daughters, Barbara, Shirley and Sheila, and the Miller family with their children David, Gloria and Dicky who lived on Oak Ave.

Another gathering in the past two weeks was at the home of Mrs. Sylvia Rozek of Indian Point. This was also a group of old friends numbering about 24, who have been in a club together for the past 27 years. It was started by Mrs. Rozek and seven other girls in their high school days. Six of the original members are still in it and they all

gathered at the Rozek's with their families for a big picnic.

On June 20, a surprise shower for the bride-to-be was given for Gwyn Pierce, by Doris Pierce of Indian Point and Delores Pierce of Antioch, at the home of Delores, on Depot street. Gwyn will become the bride of Paul Portwich on July 12. This will cause a double relationship in the Pierce and Portwich families, as Doris Pierce is a Portwich, and it is a case of a brother and sister of one family marrying a sister and brother of another family.

The shower was a success and was well attended by the following women: Mesdames Shirley Keller, Mildred Fisher, Gilda Sobey, Gerda Lahti, Gale Scribner, Ann Pierce, Elaine Wojnowiak, Meta Portwich, Gwyn's future mother-in-law, Elsie Pierce, her mother, Elinor Hauser, Helen Keisler, Gloria Cunningham, Gertie Quinn, Virginia Blake, and Laura Horton. It was a miscellaneous shower so the gifts will help

the young couple to set up house-keeping.

WE'VE MOVED TO OUR NEW OFFICE!

On Monday, the telephone business office serving Antioch, Fox Lake and Lake Villa, was moved from 404 Lake Street to 932 Main Street in Antioch.

We think you'll like our new quarters. The new office is larger and more modern - the better to serve you quickly and efficiently.

The new business office will be open from 8:30 a.m. until 5 p.m., Monday through Friday. Our telephone number remains the same — 9981.

Please call on us at our new location. Just drop in and get acquainted. We're always happy to see you.

IT'S SHOCKING
The lady drivers' business is not only a good one at JOE & DON'S TEXACO SERVICE, 970 Main Street, Antioch, Ill., but it is one that puts a lot of smiles in auto servicing jobs.
For example: One lady asked us to check the shock absorbers on her sedan. "I keep getting a shock on the door handle," she said.
This and a lot of other auto service details we take care of when you drive in at JOE & DON'S TEXACO SERVICE. You'll like our products and services as your neighbor does.

Both Antioch Teams In Babe Ruth League Lost Last 2 Games

Antioch Vana lost to Fox Lake Gambles last Wednesday and to Mundelein De Rose last Saturday to drop into a tie for third place in the Chain 'O Lakes Babe Ruth League.

Antioch Moose also had troubles last week losing to Mundelein Kleer Wrap-on Wednesday and Fox Lake Creightons on Saturday. The Saturday game was a tough one to lose as the Antioch squad went into the last inning with a two run lead, and after two outs lost the game when the Fox Lake team came up with a three run homer off the bat of Savage to end the contest.

Outstanding plays of the week saw Nielson and Gerber produce home runs for the Vana squad in the game Saturday. In the game against Fox Lake Creighton, Prosal, Eberman and Kosar each accounted for two base hits for the Moose squad.

As of Tuesday, July 1, standings are as follows:

Teams	W	L	Pct.
Mundelein DeRose	5	0	1.000
Fox Lake Gambles	5	1	.834
Mundelein Kleerwrap	4	2	.667
Antioch Vana	3	3	.500
Wauconda Elm Theatre	3	3	.500
Antioch Moose	1	4	.200
Fox Lake Creighton	1	5	.167
Wauconda Transfigura'n	1	5	.167

Games Wednesday June 25
Antioch Moose — 7-3-2
Mundelein Kleerwrap 12-10-1
Antioch battery — Hogan and Prosal.

Antioch Vana — 8-9-3
Fox Lake Gambles — 11-8-2
Losing pitcher Nielson.
Antioch battery — Schlunz and Brownlee.

Games are scheduled on Wednesday night at 6:30 o'clock and on Saturday afternoons at 2:30 o'clock. All games are played at the high school field and one of the two Antioch teams will always play at home. This Saturday July 5th, the two Antioch squads will meet in a game at the high school field at 2:30 p.m. For a fine afternoon of baseball, come out to see the Chain 'O Lakes Babe Ruth League in action.

The Antioch News and Antioch Theatre invite Mr. Ellsworth Fox, Bristol, Wis., and one to attend Sunday, Monday or Tuesday's showing of "God's Little Acre" at the Antioch Theatre.

If you want to sell — phone 43 or 44 and tell.

MOOSE TOPICS

The live blood bank to which Antioch Moose Lodge 525 and Women of the Moose No. 735 belong gave blood to a brother member, Arthur Herron. Responding to the call for blood were John Nieson of the Loyal Order and Bernice Kolar of W.O.T.M.—They were driven to Kenosha by Governor Clarence Jarvis.

Moose Lodge 525 has arranged a trip to Milwaukee July 25 to see a ball game between the Braves and Cubs. Tickets for the event can be obtained at the Moose Home. This includes a ticket to the game, transportation, and refreshments.

Fifteen new members were initiated last Sunday at the Moose Home. The ceremony was performed by the Antioch Moose Ritual team.

There will be a fish fry every Friday at the Moose Home.

OFFICERS OF DE MOLAY INSTALLED FRIDAY

The newly formed Millburn Order of De Molay was installed last Friday evening at Millburn Masonic Temple.

Senator Robert McClory was the principal speaker at the installation service, and Emory Allison, chairman of the board of directors acted as master of ceremonies. Installing officer was Kenneth Oder, pastmaster, counselor, Chevalier, and master counselor of the State of Illinois.

P. W. Anderson, Millburn, chapter advisor, acted as installing marshal; Gordon Volling, Antioch, installing chaplain, Paul R. Wanthal, Antioch, installing organist, and Sue Weber Holcomb, Evanston, soloist.

Installed were Kenneth Hellstern, of Antioch, as master counselor; Arthur Wollpert, senior counselor; Paul Penro, junior counselor; Duane Caddy, senior deacon, and Dale Penrod junior deacon, all of Antioch.

Richard Allison, Millburn, senior Steward; Bruce Wollpert, Antioch, junior steward; William Paulsen, Millburn, standard bearer; William Bonner, Round Lake, orator; Charles Caddy, Antioch, marshal; Wendell Leathers, Zion, chaplain; James Bleth, Antioch, scribe; Terry Evans, Zion, almoner; James Peaslee, Antioch, sentinel; Ronald Wedekind, aid to the master counselor; Daniel Ashton, Lynn Philyaw, and Paul Leathers, all of Zion, first, second and third preceptors, respectively.

John Sherin and Dennis West, Millburn, fourth and fifth preceptors; Elbert Seales, Grayslake, sixth preceptor, and Reginald Petersen, Antioch, seventh preceptor.

Members of the advisory council are Emory Allison, Robert Worth, Fred B. Swanson, P. W. Anderson, Paul Wanthal, Dallas Evans, Sr., and the Rev. L. H. Messersmith.

Dean Homan Cuts Right Arm in Fall

Dean, the five year old son of Mr. and Mrs. Russell Homan, fell while playing, striking an unfinished baseboard heating unit, suffering a severe cut to his right arm Tuesday evening. Emergency treatment necessitated about twenty stitches.

Dean was 5 years old Tuesday and his mother had entertained a number of relatives and friends in his honor, at their home on Tiffany road. After having so much fun at his party, Dean said, "I wish this wouldn't have happened."

PATRICIA ANN WILTON CHRISTENED SUNDAY

Patricia Ann, small daughter of Mr. and Mrs. Robert C. Wilton of Colorado Springs, Colo., was christened at 4 o'clock Sunday, at the Methodist church. The Rev. Wallace Anderson officiated.

William Wilton and Roberta Funk of Chicago were godparents.

Out of town guests were Mr. and Mrs. Harry Dooze, of Deerfield, Mr. and Mrs. Victor White of Pittsfield. The guests were entertained after the ceremony at a buffet dinner at the home of Mr. and Mrs. Charles Watson, Camp Lake.

Banks Beckon June Graduates

Is your son or daughter or any of your young friends in this year's crop of June graduates... and still undecided about what he or she wants to do? Then they might like to take a close look at the career opportunities in banking.

Banks all over the country, big and small, are looking for qualified young people. In fact, banks hire about 150,000 new people from high schools, colleges, and universities every year to take care of expansion and replacements through retirement, death, etc. And banks pay starting salaries that compare favorably with other professions and industries for similar work. They also offer more "fringe benefits" than any other industry, according to a U. S. Chamber of Commerce Survey. The value of these benefits—that include insurance, pensions, and profit-sharing plans—average

about \$30 for each \$100 in salary. As for chances of advancement, a woman can really go places in the banking business. About 1,000 bank presidencies, along with 4,000 other officer positions, must be filled every year in the nation's 15,000 banks. What's more, banks generally believe in promoting their own people and keep a sharp eye out for promising employees. So when supervisory or executive jobs open up, they usually know exactly who among their people are ready for advancement and can handle a bigger job.

Worth considering, too, are the unique educational opportunities offered to bank employees through the American Institute of Banking, the world's largest educational organization associated with a single industry. So when your June graduate is exploring careers, he'll do well to take a look at banking. The opportunity of his young life may be waiting for him just inside the portals of his local bank.

Although we use our eyes every day, few of us realize how complex and wonderful they really are. Our eyes control 80 per cent of our actions, are responsible for 83 per cent of our learning, yet seeing consumes only 25 per cent of the energy our bodies generate.

Meise Vanderkloot Dies in South Dakota

Miss Meise Vanderkloot, 68, Einfeldt subdivision, died Monday at St. John's hospital at Rapid City, S. Dak., following a heart attack suffered at the State Game Lodge at Custer, S. Dak.

Miss Vanderkloot was born June 17, 1890 at Coronado, Calif., and lived most of her life in and around Antioch. The past few years she had spent her winters in California. She was a member of St. Paul's Episcopal Church, Chicago.

Survivors are a nephew, Peter Vanderkloot, Onarga, Ill., and a niece, Mrs. Mary Bruske, and a sister-in-law, Mrs. Clara Vankerkloot, both of Antioch. Her brother Adrian Vanderkloot preceded her in death July 18, 1957.

Funeral services will be held at 1:30 Saturday at the Strang Funeral home. The Rev. Edmond Hood of St. Ignatius' Episcopal church will officiate at the service. Friends may call at the funeral home after 7 p. m. Friday. In lieu of flowers donations may be made to the Heart fund.

McHenry's Fiesta Day...

(continued from page 1)
auxiliaries of both these veterans' organizations as well as the McHenry Hospital Auxiliary are taking active part in presenting the fiesta. All of these organizations are contributing toward the hour-long big-

time vaudeville show to be given at 9 p.m.

With the parade starting at 1:30 p.m., a Wild West Rodeo at 3 p.m., trout fishing and other activities throughout the day and evening it will be one long happy day of fun and activities. There will be pan-cakes and sausages available for the hungry ones and they are to be on the all-you-can-eat plan.

The Hospital Auxiliary girls dressed as clowns will sell balloons and other items. When you reach McHenry register your name and get a free program booklet showing the locations of all activities.

Since the activities are spread out around town and immediately outside of town, there should be no great concentration of traffic at any one point.

Gamble Store Burglar Tells Owner How to Stop Thefts Hereafter

Drake Frisell, 16, L. Marie Confesses to Break-ins at Three Places

Drake Frisell, Forest avenue, Shady Nook Subdivision, Lake Marie, who confessed to sheriff's police that he burglarized Rudy Eckert's Gamble Store on July 4, and three other places in Antioch recently, gave advice to his latest victim on how to frustrate thieves like himself.

He told Eckert, from whom he had stolen more than \$800 in cash and some checks, hereafter not to leave his safe unlocked.

"And another thing," he advised, "if you leave the key in the inside of the door, always turn it a little. I could shove a paper under the door, push the key out onto it, and pull the key out with the paper."

Next, he told the South Main street merchant to strengthen the bars over his basement windows. He said he had no trouble pushing them out, breaking the glass and crawling into the basement at 4 p. m. on the holiday, and then ascending the stairway to the display room.

Finding the safe open, he took the money.

Asked by Eckert what he did with the 15 or more checks that were in the safe, Frisell denied taking them. Then he obtained a box, and standing on it reached over some merchandise directly above the safe and pulled down a cardboard box from which he drew the missing checks and five rolls of silver coins.

Several checks are missing and the police believe they were thrown into Lake Marie by Frisell along with some miscellaneous papers he is accused of having taken.

Deputy Sheriff W. J. Wood's report said that State Trooper Jack Wells had requested him to meet Mrs. Mary Frisell, step-mother of Drake, at the California Subdivision on Rte. 173 at 7:30 p. m. Tuesday, where Mrs. Frisell told them the youth had a large sum of money and she was afraid he was in trouble again.

She turned over \$310 to Woods and along with it a bank book of Uptown Federal Savings, 4545 Broadway, Chicago. The bank book (continued on page 7)

Large Crowds Here For Holiday Weekend; Resorts are Crowded

While rain tended to mar the Fourth of July holiday somewhat, it did not keep the crowds from coming to the resorts and Antioch was a busy place during the weekend.

With the close of schools in Chicago, the vacationers are coming to the Chain of Lakes region in greater numbers than ever before. The waters of our lakes were dotted with boats and there were more motor boats than ever this year.

The fortunate situation this year was the fact there wasn't a single fatality or accident of a real serious nature in this area.

Saturday and Sunday saw big crowds at the beaches and picnic grounds, whereas rain prevented them in most places on the Fourth.

Traffic was heavy and police in Antioch and Fox Lake were kept busy regulating it.

Business men report good business this year.

John L. Horan Chosen Commander of Antioch American Legion Post

John L. Horan was elected commander of the Antioch American Legion at its meeting last Thursday.

Horan will succeed Dr. G. W. Jensen and become the second "retread" at the post. Horan, like Jensen, is a charter member of the post and this is his second term as commander.

Other officers are George Swenson, senior vice commander; Clarence Shaw, junior vice commander; John Volk, sergeant-at-arms; W. V. Lahti, chaplain; John W. Horan, finance officer; and Paul Chase, Bogardus officer.

Cmdr. Horan and Mrs. Horan who heads the Legion Auxiliary, have set Saturday, Aug. 9 as the date for the joint installation of their two organizations.

The Legion voted a citation to the Antioch News for its aid to the post during the past year.

Lake County Fair To Open in Two Weeks for 4 Days

The 30th Annual Lake County Fair and 4-H Club Show will open in two weeks—July 24—at the Fair Grounds on Rte. 45 one-half mile north of Rte. 120.

Lasting four days and nights the fair will be filled with numerous programs with wide appeal.

For those who prefer the lighter vein there will be the huge midway with its rides. There will be a giant fireworks display Friday and Saturday nights, July 25 and 26.

The Lake County Fair has grown rapidly in recent years until it is now the leading County fair in Northern Illinois and one of the top fairs in the entire state. Since the procurement of its own grounds three years ago the board of directors has made many improvements for the benefit of exhibitors and visitors. Buildings, roadways, seating, and parking facilities have been provided.

Huge Livestock Show
Some of the finest livestock in the U. S. will be on display at the County Fair and 4-H Club Show. Dairy cattle, beef cattle, sheep, swine, poultry, goats, and rabbits will be exhibited by Lake County's livestock breeders.

All livestock, as well as all other exhibits will be judged by competent judges and prizes awarded accordingly. An excellent view of all livestock, and machinery exhibits, and autos can be had at the giant parade on Saturday, July 26 at 7:30 p. m. and Sunday, July 27, at 4 p. m.

Numerous Entertainment Features
Each day's program will provide numerous entertainment features, starting with the 4-H Club Horse Show at 1:30 p. m. Thursday, July 24. At 8 p. m. that evening the 4-H members will present a talent show of music, dancing, and stunt and novelty acts.

Some of the acts have been selected to appear at the State Fair at Springfield in August.

On Friday, July 25, at 8 p. m. the famous Calzavara Bar-M Ranch Rodeo with its bull dogging, broncho busting, bareback, and thrill performance.

(continued on page 7)

Salem Central Sets Aug. 18-28 as Period For Frosh Registration

Central High School, Salem, Wis., has set the period from Aug. 18 to Aug. 28, for registration and interview of all persons wishing to enter as freshmen next September. School personnel will be available during the hours of 9 a. m. to 3 p. m. For those who cannot present themselves at the school during the day, two evening periods will be held: Tuesday, Aug. 19 and Wednesday, Aug. 27. Evening registration hours are from 7 p. m. to 8:30 p. m.

In order to register, all new students are required to be accompanied by parent or guardian. All parents are urgently requested to have their child's registration completed before August 29. Registration of all upper-class transfer students will take place during the same time as freshmen.

Freshmen orientation will be held on Friday, Aug. 29 and Wednesday, Sept. 3. All sophomore, junior and senior students will report on Thursday, Sept. 4, for regular classes. The hot lunch program will start on Wednesday, Sept. 3, according to Principal Allen H. Erickson.

That Urge Uninhibited Here

Did you ever have the urge to smash something — an automobile for instance? For a small sum you can wield a steel mallet in smashing an automobile at the Legion Carnival. Here Cmdr. George W. Jensen wields the sledge hammer for the first time. "Get it out of your system" urged a sign on the side of this good automobile.

Set Rezoning Hearings On Shopping Center, McDougall Picnic Plat

Traer-McIntosh Hearing July 29 to be Continued At Wadsworth Station

Two zoning hearings affecting the Antioch area have been set by the Lake County Zoning Board of Appeals.

A hearing is set for 1:30 p. m. July 29 in the Antioch Village Hall on the proposal to rezone to business 20 acres of farmland in Antioch Township just below Rte. 173's intersection of Antioch and Newport townships to permit a shopping center.

The request is made by Glenn W. Traer of Millburn Farms, Inc., and Arthur T. McIntosh & Co., contract purchaser of 570 acres of land in Newport township who also seek the rezoning of this land from farming or R-1 to R-3 residential.

The Antioch hearing will be adjourned for a hearing at 2:30 p. m. at the Wadsworth Fire Station on the residential rezoning proposal.

A hearing has been set for Tuesday, Aug. 5, in the Antioch Village Hall at which Eugene and Betty Jean McDougall, and Edith Hatch seek a rezoning of farmland on the north of Rte. 173 at Fox River to B-1 (business).

The petitioners want the reclassification not to continue operation of a trailer camp, but so that they may rent and store boats, sell and service boats, operate a picnic grounds and refreshments stand. At present it is used for boat rentals, storage and picnic grounds and "other uses, such as a trailer camp."

Antioch Area Girls Invited to Try For County Fair Queen

Girls in the Antioch area who know as much about rock 'n roll dough as they know about rock 'n roll have a chance to win an all expenses paid trip to Miami Beach, Fla.

They can stay at the famous Sherry Frontenac Hotel and win a scholarship to Patricia Stevens School, Chicago, as Miss Lake County, the reigning queen of the Lake County Fair July 24-27 at the Grayslake fair grounds.

"A talented girl—she could be from Antioch or in its vicinity—can cash in on her abilities by getting her name in before the deadline, midnight, Tuesday, July 15," said Contest Chairman William Schroeder.

In addition to homemaking, girls will be judged on personality, poise, knowledge of current events and activities, and beauty.

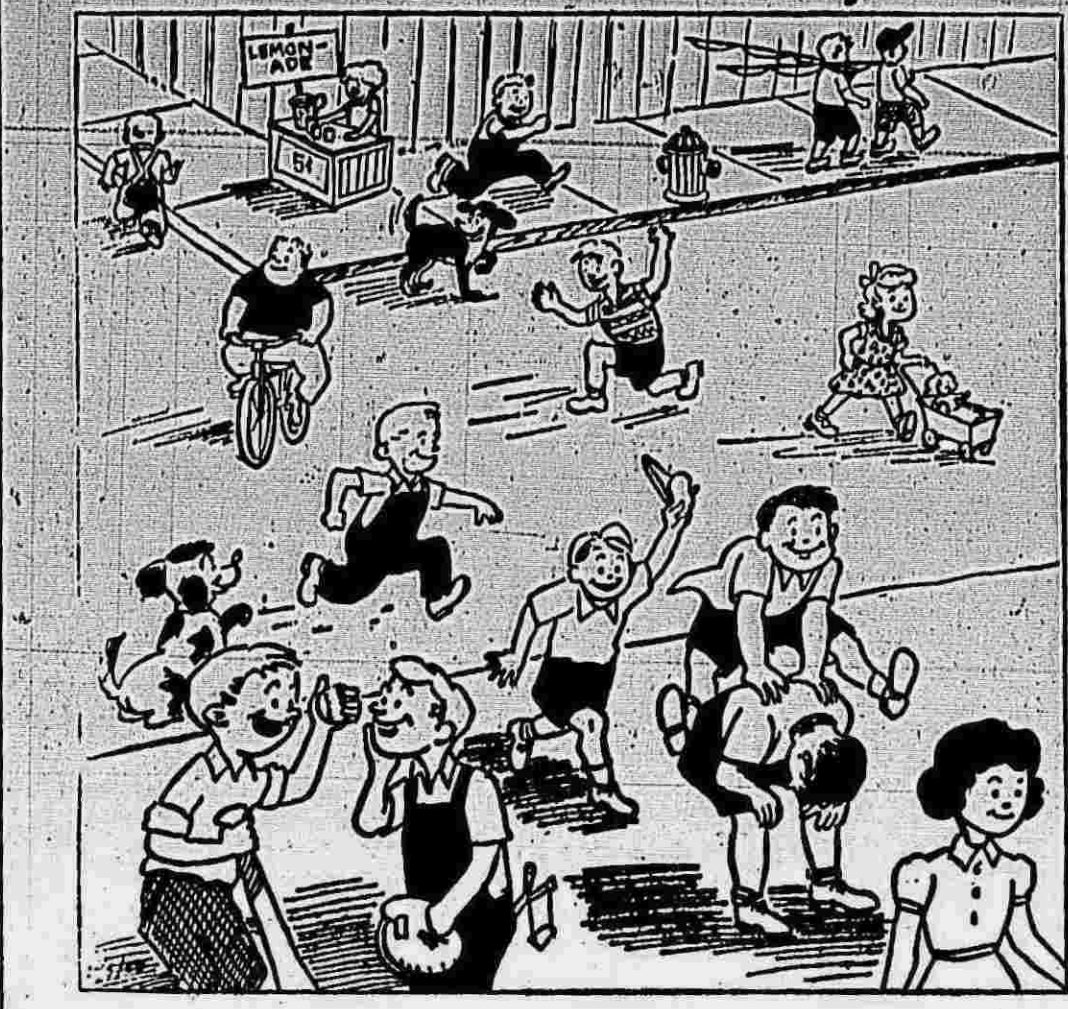

All categories will be given equal emphasis, said the chairman. Local residents are invited to submit nominations of girls they think would make a good Miss Lake County. Girls need not be sponsored.

ANNOUNCE TAG DAY SALES

Tag Day conducted by the Band Parents Assn. last Saturday brought a total of \$482.12 which will be used for expenses of the band. Last year two days of tag selling netted an amount in excess of \$700.

The Doughnut Tag Day sale of the Salvation Army amounted to \$113, Mrs. Margaret Gaston, chairman announced. Ten per cent of this will remain in Antioch for relief purposes. The rest is sent to headquarters for aid to unfortunates.

Vacation Time—Drive Carefully!

Legion and Auxiliary Present Biggest-Best Carnival This Week

The carnival sponsored by the American Legion and its auxiliary is on full blast at the village parking lot on Broadway and will continue through Sunday evening.

The patriotic organizations assert this is the best and biggest carnival that Antioch has ever had.

Featured among the eight rides is the new Eli Scrambler. The others are the merry-go-round, ferris wheel, octopus, bulgie whale, kiddie autos, super rolly-plane, and tilt ride.

The rides are furnished by the John Hansen Amusement Co. of Channahon, Ill.

The Auxiliary is operating the food stands and the Antioch Lions Club is conducting an auction.

William Lahti is general chairman of the carnival and is assisted by O. I. Onstad. Others on the committee are Roman Vos, Clarence Shaw, John Horan, and William Brook.

Register New Pupils Now for Local Grade School District No. 34

New families in the Antioch Grade School District No. 34 or families with kindergarten children for the fall term are urged by school officials to register their children at the Antioch Grade School office any weekday between 9 a. m. and 3:30 p. m. until August 15. After that date, children who will attend the Oakland school will register at the Oakland office.

All kindergarten and first grade students enrolling in this district for the first time must present birth certificates as proof of age.

Children residing in District No. 34 are eligible to attend kindergarten if their fifth birthday is on or before Dec. 1, 1958; those who will be six on or before Dec. 1, 1958, may be enrolled in first grade.

The kindergarten fee will be \$7.50 for the school year. This fee covers the cost of student insurance, pictures, contributions, and milk and cookies for the year.

Channel Lake Club Hears Demonstration

Economy TV, Rte. 173, Antioch, gave an interesting demonstration of a tape recorder and loud speaker, at a regular meeting of the Channel Lake Community Club, at the school house, Tuesday evening. The club will sponsor a bowling league in the fall. Anyone interested may call Mrs. Irene Reynolds, telephone Antioch 983-J, for information.

Plans were made for a teenage hop Saturday, July 26 at the school, with dancing from 7:30 to 11 o'clock. Chaperones will be Mrs. Grace Amendola, Mrs. Youngman, Louis Rogers and Vernon Rogers.

Hurt in Leap From Car

Sheriff's deputies reported that Mrs. Bessie Boyd, 42, of 258 Park ave., suffered a gash in her right forearm Sunday when she jumped from the car of her husband, Frank Boyd, while they were driving west on Loon Lake road near Deep Lake. She landed on the pavement. Antioch Rescue Squad men treated her and then took her to Victory Memorial hospital. The police said the woman and her husband had quarreled.

Officials Attend I.C.C. Hearing on Soo Line

Mayor Murrill Cunningham, Trustees Ernest Glenn and Bernard Osmond, and Atty. E. C. Jacobs attended the hearing of the Soo Line before the Illinois Commerce Commission this morning seeking to abandon all passenger service to Antioch and the rest of Lake County.

The hearing was held at 10 a. m. in the State street building used by Illinois state offices in Chicago.

The decision of the Commission is not expected for at least 10 days. The Antioch officials will try to salvage service for Antioch from at least one train.

Robert Wilton Heads County School Board; Welcomes Members

Robert J. Wilton, Antioch merchant, was elected president of the Lake County Board of School Trustees at the annual meeting Monday night.

Wilton has been a member of the board since it was founded. He will serve a two-year term succeeding James R. Paxton, rural Zion.

"We are always glad to have new faces and new ideas," said Wilton in greeting two new members of the board, Elliott Donnelley, Lake Forest, who returned Sunday from a European trip, and Mrs. Louise B. Hansmann of Highland Park.

Donnelley succeeds John O. Giles of Lake Forest and Mrs. Hansmann takes the place of Mrs. Minnie B. Levinson of Highland Park.

Board members expressed a desire to confer with an attorney regarding their ministerial functions and quasi-judicial duties and responsibilities in the light of amendments to the school code that grant local boards of education broader powers in the exchange of school properties.

The Board of School Trustees is the custodian of physical properties of the 55 grade schools, and 14 high schools in Lake County.

County School Supt. W. C. Petty, Antioch, sits with the board. He was instructed to invite N. E. Hutson, legal consultant to the State Superintendent of Public Instruction, Vernon L. Nickell, to discuss the topic of legal powers at an early meeting.

Citizens Council Says 10c Educational Tax Increase Recommended

Gives A.T.H.S. Board Signal to Go Ahead on Referendum

The Antioch Township High School Board is expected to act next Wednesday on the recommendation of the Citizens Advisory Council that a referendum be called on a proposal to increase the educational tax of the district 10 cents on each \$100 assessed valuation.

The rate is now 65 cents, one of the lowest in Lake county, and the rate would be upped to 75 cents.

The Council said it acted on an analysis by the Lake County Civic League and its recommendation.

In a letter to the Antioch Board of Education, Bruce Trester, executive secretary of the Civic League, stated:

"At present, it appears that additional taxing power of 10c would be sufficient to meet the annual anticipated deficits of the next few years."

Deficit May Reach \$125,000

The Citizens' Council unanimously endorsed the finance committee report which pointed out that the school's deficit for the year just ended is about \$28,000. The report continued, "Even with an immediate raise in the tax rate limitation, we will be approximately \$86,000 in the red before any tax money can be realized from a higher rate, and if we wait more than 2½ months before we approve a raise, our deficit will reach about \$125,000 before such increased taxes would be available."

The discussion which followed this report emphasized the need for immediate action. A 10c increase in the educational fund was seen as a stopgap measure to prevent further accumulation of the deficit. As the effect of new multipliers and new tax collection methods become more definite a revised estimate of needs will be forecast. The Council concurred with the Civic League that the district's financial future is hard to predict, but that at least 10c is needed to keep the deficit in check.

The Council's recommendation now goes to the Board of Education which is expected to take official action at their next regular meeting.

Hans Hansen, Aged 73, Of Camp Lake Buried

Funeral service for Hans C. Hansen, of Sunset Oak Subdivision, Camp Lake, Wis., was held at 1:30 p. m. Tuesday at the Strang Funeral Home with interment in Liberty cemetery.

Mr. Hansen was found dead in his home Saturday morning by John Faryan, a neighbor who told Wisconsin sheriff's officials that Mr. Hansen apparently died during the night.

Coroner William Rauven said death occurred about 5 a. m. from a heart attack.

Hansen had been a resident of Camp Lake since 1950 when he retired from a job as maintenance man for the Hibbard, Spencer, Bartlett Hardware Co., in Chicago.

He was born in Norway, Oct. 4, 1882 and came to America in 1920 to work in the logging camps of Michigan. He returned to Norway and then returned to the United States in 1930, establishing his residence in Chicago.

He is survived by three nieces.

Festivities at St. Benedict's Abbey Friday To Mark Anniversaries of Notable Events

A Solemn Pontifical High Mass at 10 o'clock will highlight a day of festivities at St. Benedict's Abbey on Friday, July 11. The Rt. Rev. Richard Felix, O. S. B., founder and first Abbot of the Mission Monastery at Benet Lake, will celebrate the Mass and preside at the ceremonies in the Abbey Chapel.

Several notable events mark this day as an occasion for celebration. In the first place, it is a great Feast Day in honor of St. Benedict, the Patriarch of Western monasticism who died at Monte Cassino in the year 547. It is his spirit and Rule that guide the monks of Benet Lake and all other Benedictines throughout the world in their quest for Religious perfection.

The year 1958 is a personal milestone in the life of Father Abbot Richard, the Superior of St. Benedict's Abbey. It was 45 years ago that he first pronounced the holy

Departure Ceremony Planned

Perhaps the most memorable event of this day is the departure ceremony honoring the five Priest-monks scheduled to inaugurate a new Mission Priory in Old Mexico. The new monastic foundation will be made in San Juan del Rio in the State of Queretaro, about 100 miles north of Mexico City.

Last but not least, this year marks (continued on page 12)

Both Antioch Teams In Babe Ruth League Lost Last 2 Games

Antioch Vana lost to Fox Lake Gambles last Wednesday and to Mundelein De Rose last Saturday to drop into a tie for third place in the Chain O' Lakes Babe Ruth League.

Antioch-Moose also had troubles last week losing to Mundelein Kler Wrap on Wednesday and Fox Lake Creightons on Saturday. The Saturday game was a tough one to lose as the Antioch squad went into the last inning with a two run lead, and after two outs lost the game when the Fox Lake team came up with a three run homer off the bat of Savage to end the contest.

Outstanding plays of the week saw Nielson and Gerber produce home runs for the Vana squad in the game Saturday. In the game against Fox Lake Creighton, Prosal, Eberman and Kosar each accounted for two base hits for the Moose squad.

As of Tuesday, July 1, standings are as follows:

Teams	W	L	Pct.
Mundelein DeRose	5	0	1.000
Fox Lake Gambles	5	1	.834
Mundelein Klerwrap	4	2	.667
Antioch Vana	3	3	.500
Wauconda Elm Theatre	3	3	.500
Antioch Moose	1	4	.200
Fox Lake Creighton	1	5	.167
Watconda Transfigura'n	1	5	.167

Games Wednesday June 25

Antioch Moose — 7-3-2

Mundelein Klerwrap 12-10-1

Antioch battery — Hogan and Prosal.

Antioch Vana — 8-9-3

Fox Lake Gambles — 11-8-2

Losing pitcher Nielson.

Antioch battery — Schlunz and Brownlee.

Games are scheduled on Wednesday night at 8:30 o'clock and on Saturday afternoons at 2:30 o'clock.

All games are played at the high school field and one of the two Antioch teams will always play at home.

This Saturday July 5th, the two Antioch squads will meet in a game at the high school field at 2:30 p.m. For a fine afternoon of baseball, come out to see the Chain O' Lakes Babe Ruth League in action.

The Antioch News and Antioch Theatre invite Mr. Ellsworth Fox, Bristol, Wis., and one to attend Sunday, Monday or Tuesday's showing of "God's Little Acre" at the Antioch Theatre.

If you want to sell — phone 43 or 44 and tell.

MOOSE TOPICS

The live blood bank to which Antioch Moose Lodge 525 and Women of the Moose No. 735 belong gave blood to a brother member, Arthur Herron. Responding to the call for blood were John Nielson of the Loyal Order and Bernice Kolar of W.O.T.M. They were driven to Kenosha by Governor Clarence Jarvis.

Moose Lodge 525 has arranged a trip to Milwaukee July 25 to see a ball game between the Braves and Cubs. Tickets for the event can be obtained at the Moose Home. This includes a ticket to the game, transportation, and refreshments.

Fifteen new members were initiated last Sunday at the Moose Home. The ceremony was performed by the Antioch Moose Ritual team.

There will be a fish fry every Friday at the Moose Home.

OFFICERS OF DE MOLAY INSTALLED FRIDAY

The newly formed Millburn Order of De Molay was installed last Friday evening at Millburn Masonic Temple.

Senator Robert McClory was the principal speaker at the installation service, and Emory Allison, chairman of the board of director acted as master of ceremonies. Installing officer was Kenneth Oeder, pastmaster, counselor, Chevalier, and master counselor of the State of Illinois.

P. W. Anderson, Millburn, chapter advisor, acted as installing marshal; Gordon Volling, Antioch, installing chaplain, Paul R. Wanthal, Antioch, installing organizer, and Sue Weber Holcomb, Evanston, soloist.

Installed were Kenneth Hellstern, of Antioch, as master counselor; Arthur Wollpert, senior counselor; Paul Penro, junior counselor; Duane Caddy, senior deacon, and Dale Penrod junior deacon, all of Antioch.

Richard Allison, Millburn, senior Steward; Bruce Wollpert; Antioch, junior steward; William Paulsen, Millburn, standard bearer; William Bonner, Round Lake, orator; Charles Caddy, Antioch, marshal; Wendell Leathers, Zion, chaplain; James Blech, Antioch, scribe; Terry Evans, Zion, almoner; James Peaslee, Antioch, sentinel; Ronald Wedekind, aid to the master counselor; Daniel Ashton, Lynn Philyaw, and Paul Leathers, all of Zion, first, second and third preceptors, respectively.

John Sherin and Dennis West, Millburn, fourth and fifth preceptors; Elbert Scales, Grayslake, sixth preceptor, and Reginald Petersen, Antioch, seventh preceptor.

Members of the advisory council are Emory Allison, Robert Worth, Fred B. Swanson, P. W. Anderson, Paul Wanthal, Dallas Evans, Sr., and the Rev. L. H. Messersmith.

Dean Homan Cuts Right Arm in Fall

Dean, the five year old son of Mr. and Mrs. Russell Homan, fell while playing, striking an unfinished baseboard heating unit, suffering a severe cut to his right arm Tuesday evening. Emergency treatment necessitated about twenty stitches.

Dean was 5 years old Tuesday and his mother had entertained a number of relatives and friends in his honor, at their home on Tiffany road. After having so much fun at his party, Dean said, "I wish this wouldn't have happened."

PATRICIA ANN WILTON CHRISTENED SUNDAY

Patricia Ann, small daughter of Mr. and Mrs. Robert C. Wilton of Colorado Springs, Colo., was christened at 4 o'clock Sunday, at the Methodist church. The Rev. Wallace Anderson officiated.

William Wilton and Roberta Funk of Chicago were godparents.

Out of town guests were Mr. and Mrs. Harry Dooce, of Deerfield, Mr. and Mrs. Victor White of Pittsfield. The guests were entertained after the ceremony at a buffet dinner at the home of Mr. and Mrs. Charles Watson, Camp Lake.

Banks Beckon June Graduates

Is your son or daughter or any of your young friends in this year's crop of June graduates... and still undecided about what he or she wants to do? Then they might like to take a close look at the career opportunities in banking.

Banks all over the country, big and small, are looking for qualified young people. In fact, banks hire about 150,000 new people from high schools, colleges, and universities every year to take care of expansion and replacements through retirement, death, etc. And banks pay starting salaries that compare favorably with other professions and industries for similar work. They also offer more "fringe benefits" than any other industry, according to a U. S. Chamber of Commerce Survey. The value of these benefits—that include insurance, pensions, and profit-sharing plans—average

about \$30 for each \$100 in salary. As for chances of advancement, a woman can really go places in the banking business. About 1,000 bank presidencies, along with 4,000 other officer positions, must be filled every year in the nation's 15,000 banks. What's more, banks generally believe in promoting their own people and keep a sharp eye out for promising employees. So when supervisory or executive jobs open up, they usually know exactly who among their people are ready for advancement and can handle a bigger job.

Worth considering, too, are the unique educational opportunities offered to bank employees through the American Institute of Banking, the world's largest educational organization associated with a single industry. So when your June graduate is exploring careers, he'll do well to take a look at banking. The opportunity of his young life may be waiting for him just inside the portals of his local bank.

Although we use our eyes every day, few of us realize how complex and wonderful they really are. Our eyes control 80 per cent of our actions, are responsible for 83 per cent of our learning, yet seeing consumes only 25 per cent of the energy our bodies generate.

Meise Vanderkloot Dies in South Dakota

Miss Meise Vanderkloot, 68, Einfeldt subdivision, died Monday at St. John's hospital at Rapid City, S. Dak., following a heart attack suffered at the State Game Lodge at Custer, S. Dak.

Miss Vanderkloot was born June 17, 1890 at Coronado, Calif., and lived most of her life in and around Antioch. The past few years she had spent her winters in California. She was a member of St. Paul's Episcopal Church, Chicago.

Survivors are a nephew, Peter Vanderkloot, Onarga, Ill., and a niece, Mrs. Mary Bruske, and a sister-in-law, Mrs. Clara Vankerkloot, both of Antioch. Her brother Adrian Vanderkloot preceded her in death July 18, 1957.

Funeral services will be held at 1:30 Saturday at the Strang Funeral home. The Rev. Edmond Hood of St. Ignatius' Episcopal church will officiate at the service. Friends may call at the funeral home after 7 p.m. Friday. In lieu of flowers donations may be made to the Heart fund.

McHenry's Fiesta Day...

(continued from page 1)
auxiliaries of both these veterans' organizations as well as the McHenry Hospital Auxiliary are taking active part in presenting the fiesta. All of these organizations are contributing toward the hour-long big-

time vaudeville show to be given at 9 p.m.

With the parade starting at 1:30 p.m., a Wild West Rodeo at 3 p.m., trout fishing and other activities throughout the day and evening it will be one long happy day of fun and activities. There will be pan-cakes and sausages available for the hungry ones and they are to be on the all-you-can-eat plan.

The Hospital Auxiliary girls dressed as clowns will sell balloons and other items. When you reach McHenry register your name and get a free program booklet showing the locations of all activities.

Since the activities are spread out around town and immediately outside of town, there should be no great concentration of traffic at any one point.
